## President's Message

The July picnic is upon us! On Saturday, July 27th, we will hold our regular meeting at CSFD Station #14. After the meeting, which we anticipate concluding around 11:30 a.m., we will head outside and have a get-together on the fire station grounds. As decided in June, this will be a catered event. Mission BBQ is preparing chicken, brisket, coleslaw, mac and cheese, cornbread, buns, and BBQ sauces for us. In honor of Matt's military service, they are generously providing a large dessert tray on them. Thanks, Matt and Mission! For those not a fan of BBQ, we will also have vegetarian chili. With a big turnout expected for the picnic, we may not have enough fire station chairs to go around. If you have a camp chair or two handy, bringing them along on Saturday would be a welcome help.

We will have a lot of ground to cover in the meeting, with the remaining approximately 70 of Bob Steele's orchids to find caring homes in a raffle and silent auction. As we conclude this process, please remember to thank Matt, Roger, Joan, and Jack for their transportation and care of the plants and our fearless treasurer, Lorie, who has juggled new memberships, raffle sales, and silent auction checkouts simultaneously with a smile. Thank you!

We all look forward to Bob's legacy returning to Show and Tell for many years to come. If you have questions about anything new in your care, the picnic is a great time to compare notes with your fellow growers. Our Society is a wealth of knowledge, ingenuity, and fun!

Happy growing, and see you at the fire station on the 27th,

Alison Dino
