President's Message

Back to school? I don't know how August is here, but I do know the CSOS has had a busy summer! Over the last three months, a group effort successfully secured the future of Bob Steele's legacy of over 300 orchids, and last month, we teamed up for a fun, unscripted afternoon of BBQ at the fire station.

A big thank you to Matt and Lorie for working with Mission BBQ, Lorie's husband, Jon, for giving the food a lift to the picnic, Karen for securing our drinks and ice, and everyone who jumped in to help us set up and clean up. It was truly a team effort, and our timing could not have been more perfect. Twenty minutes after we wrapped, a sun shower soaked the area! I have shared our thanks with the Colorado Springs Fire Department and Mission BBQ. We only regret that the firefighters could not join us (sorry, Karen, we tried!).

Students are back in school, and a second sign of fall is nearly upon us. The Denver Orchid Society's Fall Show and Sale is a little over three weeks away. This year, the AOS-sanctioned show will take place at Nick's Garden Center & Farm Market (2001 S. Chambers Rd, Aurora, CO 80014) on Saturday, September 14th (10 am-5 pm) and Sunday, September 15th (9 am-4 pm) with set up on Friday, September 13th beginning at 9 am. The show theme is An Orchid Fiesta! Our August meeting will be our last before the event, so we will work on gathering details on Saturday. If you can spare some time over these three days in September, please consider helping our DOS friends out by volunteering. A sign-up sheet for volunteers, including everyone's favorite plant sale setup, can be found here: [DOS Fall Show 2024 Sign-Up](#). Per the DOS, the show Entry Schedule, Rules and Regulations will be available toward the end of August. We will circulate this information via email when we get it.

You may have noticed that since we have been allowed to have refreshments at the fire station again, some months we have a bounty of treats, and others not so much. Jean was intrigued, ran the numbers (thanks, Jean!), and devised a better monthly refreshment list for how our current group shakes out. We will start this new list when our current one laps in October. Joan has included the new monthly refreshment list in this newsletter. When you get a moment, please take a peek, as your months to bring a little something to share have likely changed.

Our meeting on Saturday will be pretty mellow compared to the last three months. So, if you have been holding back blooms for show-and-tell, bring them on! We will have plenty of time to swap stories and admire.

Keep those *Masdevallias* cool, and see you at the fire station on the 24th!
