## President's Message

We've survived the first snow of the season, and it was a doozy! It felt a little surreal to be repotting and watering orchids while snow piled up outside. I hope everyone weathered the storm safely and all that shoveling gained you a little unexpected time to spoil your plants, too.

After the snow passed, we learned things were not coming together for the judging event after our meeting this Saturday. Between the weather and Thanksgiving, November is a tough month for events. I know our willingness to host was appreciated, and hopefully, we can give it another go next year!

At our October meeting, we decided our annual giving to further the CSOS mission of promoting interest in cultivating orchids and improving and preserving orchids and their habitats. For 2024, we voted to give \$200 each to the Rocky Mountain Judging Center, Orchid Digest, the American Orchid Society, and the Colorado Native Plant Society (Mission Fund). Thank you for your generosity to these worthy groups!

Even with the snowflakes flying, it's hard to believe it's already November and Thanksgiving is right around the corner. As we reflect on gratitude, I would like to express my heartfelt thanks to the CSOS 2024 officers, Joan for this great newsletter, and Lois for helping us keep up with the taxonomists. Your hard work and commitment make all the difference, and we're so grateful for everything you do!

For those interested in getting more involved and considering a role as an officer, please reach out to Joan or me—we'd love to hear about where you are interested in volunteering! Nominations and voting for all officer positions will take place at our November meeting on Saturday.

November is membership renewal time! If you're unable to attend the November or December meetings, no worries—just grab an envelope and mail your dues (\$15 for individuals, \$22.50 for families) to Lorie at the address listed in this newsletter. Dues for the 2025 membership year are due by the end of December, so help out our fearless treasurer and get your renewal taken care of before the holiday rush!

Can't wait to see what's blooming at the fire station on the 23rd,
