## President's Message

The Fall Denver Orchid Show and Sale was a fiesta of orchids and fun! Our DOS friends are always welcoming hosts and worked tirelessly to once again present a fantastic weekend of orchids on display and for sale. Thank you all!

Congratulations, CSOS! This fall, your hard work brought home multiple group and individual honors, including the AOS Show Trophy, Best Orchid Society Exhibit, Sunday's People's Choice-Most Popular Display (congrats CSOS!), Best Commercial Exhibit (congrats, Julie and Adam at Songbird Orchids!), the Orchid Digest Show Trophy, Best Educational Exhibit, Best Exhibit Featuring Miniature Orchids, Saturday's People's Choice-Most Popular Display, and People's Choice Orchid for both Saturday and Sunday (congrats, Jojo!), the Rocky Mountain Special Recognition Award, Best Use of Show Theme, and Best Exhibit by a Novice (congrats first-time exhibitor Pam!), six rosettes (congrats Joan, Jojo, Roger & Terry) and multiple first, second and third place ribbons, including a first-place ribbon for first-time exhibitor, Maya!

This successful weekend was truly a group effort, with many of you displaying your growing talents, transporting plants, loaning fiesta-worthy décor, and designing incredible exhibits. Roger saved us tremendous time (and frustration!) by arriving early and assembling the CSOS exhibit background. Thanks to Joan, CSOS had an email chain and Zoom meeting room, allowing our newly minted "Display Design Team" to create an exhibit plan in sketches before setup. Amal, Maya, Kaoru, and Terry, if you are up for designing the Society exhibit again in the spring, you're hired!

With the fall show in the books, the DOS still has 145 sale table orchids left to sell from top-tier vendors. Pam will bring a selection of these plants to feed our temptation on Saturday. The rest will be for sale in a one-day "Orchid Plant Fire Sale" for \$20 each at the home of Keith and Retha Funk on October 5th at 7502 South Madison Circle, Centennial, CO 80122 from 1-5 pm. Genera for sale include Cattleya alliance, Oncidium alliance, Maxillaria, Paphiopedilum, Bulbophyllum, Phalaenopsis alliance, Dendrobium, and Tolumnia, to name a few. If you missed your chance to make some new planty friends at the show, here is your second chance!

CSOS teamwork and generosity were on full display not only last weekend but also at our last meeting. During show-and-tell, three gorgeous, blooming orchids were donated to the raffle after their presentation. Thank you so much for gifting these beautiful plants to your fellow growers. Your kindness is an asset to your Society.

During the DOS show, we were also approached with an opportunity to help the Rocky Mountain Judging Center train student orchid judges. On Saturday, we will discuss this, and hopefully, many of the show orchids will still be in bloom for an encore at show-and-tell!

See you at the fire station on the 28th,

Alison Dino
