Results of November Election – At our November meeting, we elected our 2025 officers: Alison Dino is President, Kaoru Stabnow is Vice President, and Lorie Casbon is Treasurer. Please give them your congratulations and thank them for volunteering for another year. And Matt Kurpaski volunteered to be our CSOS Historian!

Save the Dates – The Denver Orchid Society (DOS) will have their Spring Show and Sale on the first weekend in May. Setup will be on May 2 and the Show and Sale will be on May 3 and 4, 2025. Start grooming, playing soothing music, talking to your orchids, etc. so they will be happily blooming for this event. 😊

President's Message

Thank you for your continued trust in your 2024 officers, re-electing us for another term in 2025—a special thanks to Kaoru and Lorie for their willingness to serve again! I look forward to another enjoyable year working alongside you, Joan, Lois, and Matt. Speaking of Matt, he has also taken on the role of historian—a first for CSOS, I believe, though I can't say for sure, which is exactly why we need one! The ongoing success of the CSOS is truly a reflection of all of you.

Time flies, and we are officially one year into our mystery plant challenge! It's still anyone's race! As a reminder, plants were provided without tags, and the first member to bloom their plant will win a \$15 cash prize, and the plant's identity will be revealed. To claim the prize, call me at (636) 795-6097 or Kaoru at (408) 489-8604, and be sure to provide a photo of the winning bloom!

As we wrap up 2024, please take a moment to think about what you'd like to do as a group in the coming year. We'll gather our ideas when we get together on Saturday. While planning for another fun and productive year, don't forget to mark your calendars for the Denver Orchid Society Show and Sale. The 2025 spring show will take place on Saturday, May 3rd, and Sunday, May 4th, with setup on Friday, May 2nd, at the Denver Botanic Gardens.

For those who can't join us on Saturday (we'll miss you!) and haven't yet renewed for 2025, dues (\$15 individual, \$22.50 family) are due by the end of December. Please mail them to Lorie at the address listed in this newsletter.

As we head into the latter part of winter, please check your email before heading out to our meetings if the weather looks sketchy. Any changes to our plans will be communicated through an email update.

Cheers, and see you at the fire station on the 28th!
