

Our Group Rehearsal Date is:

March 6th, 7th, 8th 2026

Location: All Rehearsals take place in the gymnasium at the RecPlex.

Change Rooms:

Girls gymnasium change room: Senior dancers

Boys gymnasium change room: Inter B dancers

Salopian Room: Tiny Tots, Beginner, Primary, Junior and Inter A dancers

Costume Requirements: Our dress rehearsals are full dress rehearsals, which means that your dancer will need to be in their full costumes, stage tights, hair and stage make up.

Our stage make up requirements are listed under the Costume Instructions page on the website. As Costume instructions become available, they get posted to the website.

All hair requirements are listed with each group costume instruction.

No finger nail polish or jewelry unless specified within the costume instructions.

What are stage tights? We recommend a new pair of tights for stage as often the tights the dancers wear all year have runs or small holes in them from regular class practice. The tights required are the colors that we sell at the studio and that Dance Street in Saskatoon carries for us so that all the dancers can match.

How Rehearsals Work:

The rehearsal schedule will be posted to this page below soon, as well as sent out by email to families when it is finalized.

Have your dancer(s) at the recplex in full costumes, hair and make up completely ready to dance 10 minutes prior to their listed stage time.

- Dancers will be called to the stage by their instructor at their scheduled stage time. Each group will rehearse their dance several times.
- After the group finishes on stage they go immediately to have their professional pictures taken.
- ALL dancers participate in the group picture even if they are not purchasing a picture themselves
- If you choose to have an individual picture taken of your dancer in their group costume, your dancer will take that shot after the group picture

Professional Pictures:

Immediately after the dancers group stage time ends is their professional picture time slot.

This year we welcome back Fragment Media to our rehearsal.

Purchasing professional photographs is completely optional, **however please send your dancer for all group photo's regardless if you intend to purchase the group photo or not** as this way there is a complete group photo available for those who do wish to purchase.

NOTE: All Solo/Duet/Trio's who wish to have professional pictures taken are welcome to have those done when they can fit them in during the weekend.

If you would like to purchase photo's:

**** Please download the form on this Rehearsal Page of our website and have it completed (including payment) so that your dancer can hand it in to the photographer on rehearsal day at their picture time.**

PLEASE FILL OUT ONE FORM PER DANCE, PER CHILD.

We also ask that parents not watch as the pictures are being taken so that each child can focus on the photographer and photographer only.

Rehearsal Rules and Considerations:

- 1) Please clean up after yourself including your change space, as well as all food and drink.
