POST ACUTE WOUND & SKIN INTEGRITY COUNCIL

WHO IS PAWSIC?

PAWSIC is a 501(c)(6) non-profit

Interprofessional Team that serves as Resource & Advocate for ALL Post Acute Care for all skin health and wound conditions

- Webinars/education, Guidelines, Whitepapers
- Resources, checklists, handouts

We are a specialty group that understands the challenges of achieving skin health and wound outcomes in Post Acute Care.

We are your PAC interprofessional wound team and our unique focus on PAC positions us to partner, collaborate and support other organizations across the continuum.

At PAWSIC, we are eager to make a difference! What can we do to help? Scan our QR code here to visit our website and join our effort at www.pawsic.org
