Certificate of Registration

Pursuant to its application on file with Transport Canada, to the *Transportation of Dangerous Goods Regulations*, and to Clause 25 of CSA Standard B339, *Cylinders, Spheres, and Tubes for the Transportation of Dangerous Goods*,

Majestic Hydrotest and Valve Inc.
120, 239 Mayland Place N.E
Calgary, AB
T2E 7Z8

is granted this Certificate of Registration for the requalification of acetylene cylinders by periodic visual inspection, subject to the following conditions:

- 1) The requalification shall be performed at the above mentioned location or at the customer's site;
- 2) The inspection shall be performed only by the qualified persons designated in the application;
- 3) Successfully requalified cylinders shall be marked:
XX YYY ZZ S or XX YYY ZZ FS

where XX is the month of requalification,
YYY is the requalifier's registered mark,
ZZ is the year of requalification,
S is for shell reinspection only, and
FS is for shell and porous filler reinspection; and

- 4) Not later than 20 days after change occurs in the information comprising the application, the Director, Regulatory Affairs Branch, Transportation of Dangerous Goods Directorate shall be advised of any such change.

This Certificate of Registration may be suspended or revoked by the Director in the event of failure to comply with the above-mentioned conditions or with any applicable regulations.

This Certificate of Registration shall expire on the date shown below unless revoked earlier. An application for renewal of this Certificate should be submitted at least three months before the expiry date.

Registered Mark: **694**

Registration Date: 14 April 2023

Expiry Date: **01 December 2027**

Certificate No.: ASD 4067-26-9-2-0076
