## FAQ's

**QUOTES** - All pricing provided as a quote is to the best of our understanding given the specifications we can see and how they relate to the closest product we can offer within our standard product lines.

**CATALOG PRICING** - All pricing provided in our catalog are based on our standard specifications. We encourage you to ask for a custom quote on anything other than the most straight forward projects. All pricing listed is in USD and is subject to change without notice.

**PLACING AN ORDER** - All order placement must be done in writing via email. You should receive an Order Confirmation within (1) business day of placing your order. If you do not receive an Order Confirmation please contact us immediately as something was likely not received.

**ARTWORK** - All orders must include full size vector artwork provided by the customer. Artwork can be sent in either .AI or .EPS or .PDF format as long as it is vectored and full size. Please be aware that we do NOT send art proofs on most orders. If you receive an Order Confirmation then your artwork has been accepted and we are proceeding with production based on your exact artwork. We will ONLY send an art proof if something needs to be changed from your originally provided artwork.

**LEAD TIMES** - All lead times quoted are approximate and do NOT include shipping transit time.

**TERMS** - All orders will be invoiced per your account terms. All payments will be made through our provided payment link. This link will be included in our final invoicing email.

**WARRANTY** - ETA Signs guarantees all of its products to be free of defects in material and workmanship for a period of 5 years. Should our product contain a defect in material or workmanship, ETA Signs will replace the defective product at no charge. This warranty is limited to the product and quantities found to be defective. All products must be shown to be defective with plenty of high resolution and close up photography. ETA Signs is NOT liable directly or indirectly for any costs of installation, removal, re-installation, damage, loss of use or injury arising out of the use of our product. Before using, purchaser shall determine the suitability of the product for its intended use and the purchaser assumes all risk and liability whatsoever in connection therewith. No other warranty is expressed or implied.

**PRICE MATCH** - ETA Signs will happily price match any listed direct competitor. Our pricing should already be the most competitive amongst our peers. However, if you receive a lesser quote from Gemini, Steel Art, Matthews, or Bitro just send us a copy of the quote and we'll beat it!
