Lands End Dental Discount Plan

The Lands End Dental Discount Plan is designed to make preventative dental care expenses predictable and affordable for those without dental insurance. By pre-paying for necessary examinations, x-rays, and cleanings for the year, we are able to provide a discount on them.

- After an initial comprehensive examination with Dr. Mathai, we will determine which plan you are eligible for.
- Each plan is eligible for the calendar year service period with the office. **Deadline for 2025 will be June 1, 2025.** Re-enrollment will start January 1st 2026.

Adult Preventative Plan: covers two periodic examinations, two prophylaxis (cleanings), fluoride treatment once a year, bitewing x-rays and 2 single x-rays every year.

- Also offers a 20% flat discount on all other dental services in the office, including full mouth x-rays once every 5-7 years, emergency visits, dental fillings, and other major dental work.

LANDS END DENTAL

Lands End Dental Discount Plan Exceptions:

- Patients with PPO dental insurance may **not** participate. This is because your insurance plan already offers you a discount on our fees. Patients with HMO dental insurance or MediCal, however, are eligible since our office is **NOT** able to collect payments from them.
- Cancellation of the plan will result in a prorated refund. For example, if the plan is cancelled after 4 months of membership, the membership fee minus a third of fees paid will be returned via check.
- The membership plan and associated services are non-transferable.
- No other additional discounts may be considered with the plan (i.e. senior citizen discounts, etc).
- Discounts do not apply to services rendered by specialists at outside practices we may refer you to (oral surgeons, orthodontists, endodontists, etc).
