Hello Everyone:

Subject: Coronavirus

This is a notice to let you know that Deacon Gary was potentially exposed to the coronavirus on Wednesday, June 24. He just found out today, July 3. He is asymptomatic so he could not get tested. The reason he can't get tested is that it could show up as false negative or false positive since he has no symptoms. If he starts to have symptoms, he will be tested. If there are no symptoms by July 8, he will have reached the two-week timeframe and can assume that he did not contact the virus from this potential exposure.

With all of this in mind, we are canceling all in-person services and drive-through prayer and communion until after July 8. We will continue to inform you after July 8 regarding Gary's status and our restarting of in-person worship and drive-through prayer and communion.

The combined councils will still be meeting via Zoom on Monday, July 6, at 5:30 pm.

Everyone please pray for Gary and his family that all will be well.

Any questions, please feel free to call Donna Spear or Krista Yaiko.

Thank you,

Donna Spear and Krista Yaiko
