CAMP MOUNT LUTHER

Milton Lutheran Church has kicked off our matching funds campaign for Camp Mount Luther!

Over the next month you'll be hearing from people in the congregation about their love for Camp Mount Luther and the ministry camp provides.

For more information on who and what this campaign benefits, visit Camp Mount Luther's website and navigate to their campaign page, or talk with Pastor Gary or CarolAnn.

We wanted to say a special word of thanks to everyone who has contributed to this campaign so far. **To date we have raised \$26,730.** Due to some unexpected expenses that have come up this year our Church Council has decided to conduct a special appeal to help offset the cost for the purchase of a new steam boiler, reseal the parking lot at 100 Mahoning St., moving expenses, and fixing the air conditioning at 1125 Mahoning St. We invite you to make a contribution to help cover these expenses. You can do so by making a contribution through your regular giving or make a contribution online through Tithe.ly. Please just be sure to place 'Moving Forward Campaign' in the memo line.

Our Fidget Quilt group has changed their meeting schedule!

The meeting dates for this year are:

September 3rd

And December 3rd!

If you have any questions, contact Connie Stover.

Our pet pantry is the first Sunday of the month from 11:30am-12:30pm held in conjunction with our Self-Care Sanctuary. Our next one is September 7th.

An illustration for an outdoor worship event. At the top, green vines with leaves hang across a light blue sky with white clouds. The title 'Outdoor Worship' is written in a large, bold, black, hand-drawn font. Below it, the date 'August 24, 2025' is written in a smaller, black, hand-drawn font. In the center, there is a tan-colored pavilion with a gabled roof and four brown pillars. The text 'Worship in the MLC Pavilion with fellowship to follow' is written on the front of the pavilion. The background features a dark green forest of evergreen trees and light green mountains in the distance. The ground is a solid dark green.
