Introduction

This week we begin our worship series on the theme Ubuntu. I am, because we are, because God is. A concept emerging from African culture, Ubuntu is a different way of looking at the world and our relationship to each other by placing the needs on others before ourselves. This week we hear a message from Jesus in John 14 where he tells us who God is and how God is active in our lives.

Prayer of the Day

Holy God, Father, Son, and Holy Spirit. We give you thanks for the many ways that you speak to our hearts. As we begin our worship series on Ubuntu we ask that you open our hearts and minds to hear you're word and how you are guiding us to relate with you and others in different ways. We give you thanks for the gift of your love and grace and our lives and how you promise to be with us each and every day.

Amen.
