

GOAL IN THE HOLE™

Beach Soccer Golf Game Instructions

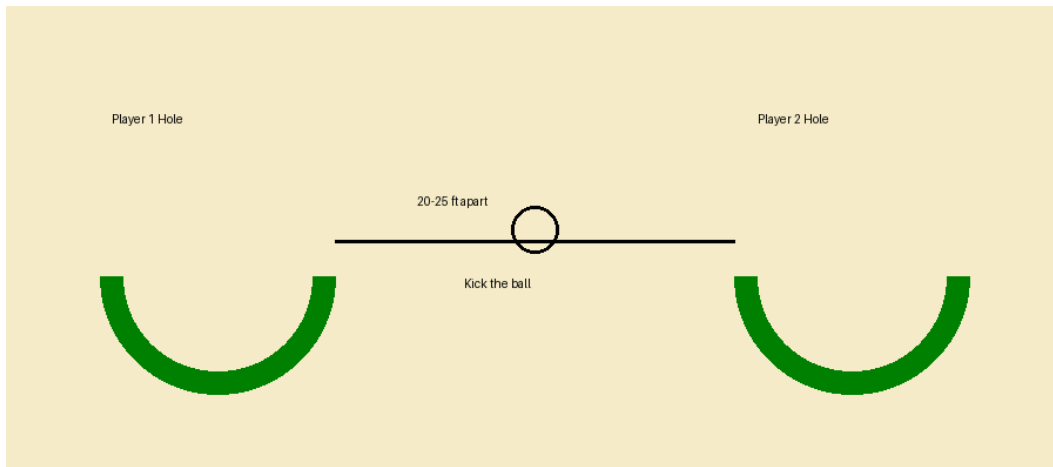

What's Included

- 2 Beach Goal Holes
- 1 Giant Soccer Golf Ball
- 1 Hand Pump
- 1 Sand Scoop/Shovel

How To Set Up

1. Choose a flat area on the beach.
2. Place each Goal Hole about 20–25 feet apart. Advanced players can move farther apart.
3. Push the circular base into the sand.
4. Use the included shovel to dig out the center of each hole.
5. Leave the angled backboard above the sand so the ball can bounce into the goal.

How To Play

- Players stand beside their own Goal Hole.
- Kick the ball toward your opponent's hole.
- Score by getting the ball into the hole.
- First player or team to score 5 goals wins!
- Move the holes farther apart to increase difficulty.

Quick Tips

- Best played on smooth, soft sand.
- Use gentle passing kicks for accuracy.
- Perfect for families, beach parties, and competitions.
