## MEET BRYAN, OWNER OF THE VAULT & CO.

“I come from a legacy of rare coins and precious metals. My father, the world-famous Coin Guy from YouTube, has been collecting since he was 12 years old, and I’ve been following his footsteps, building my own reputation as an expert in numismatics, rare paper money, and precious metals.”

As the former Vice President of the Ancient City Coin Club, I’ve been deeply involved in the rare coin industry, handling and selling PCGS-certified collections worth well over a quarter-million dollars. My expertise has even landed me on the front cover of Heritage Magazine for my exceptional paper money collections. Beyond numismatics, I’m also a certified Bench Jeweler, having trained at the American School of Jewelry in Fort Lauderdale. With years of experience in fine jewelry, I previously owned and operated four jewelry stores in the Lynchburg, Virginia, area before selling them and relocating to St. Augustine for its beautiful beaches and small-town charm.

Now, as the owner of The Vault & Co., I bring my passion for high-end jewelry, rare coins, and luxury goods right to the heart of St. Augustine. Whether you’re looking for an investment-grade piece or a unique heirloom, my team and I are here to provide expert guidance and exceptional service.

Come visit The Vault & Co., where history, luxury, and expertise come together.
