

WYLDflowers Membership Deliveries

There is nothing quite like receiving a beautiful floral arrangement, when you are not expecting one! Well, we are so excited to introduce our Membership Program. A floral arrangement delivery service! We are offering several different options for you to choose from. We are also able to offer you everything from monthly deliveries, to every other week and even weekly deliveries, depending on your needs.

We have three different types of service. Premium, Corporate and Corporate Premium. Premium Membership offers more of a soft and personal design with beautiful seasonal florals. Our Corporate line offer you a more luxurious arrangement with the addition of a premium vase. Our Corporate Premium Membership takes our design to an extravagant level. The Corporate level offers a more romantic design with premium florals. We are able to design around your needs and expectations and will fully customize your arrangement if needed with advanced communication. We are also able to include live plants and can arrange to do a weekly check, to maintain the arrangement if desired.

All annual Memberships include a Birthday or Anniversary arrangement on us. Let us know if there is a favorite we should include!

We are delighted to offer our Members a discount on all additional arrangements and priority booking on all events. We have a 30 day, prior to next delivery, cancellation policy. We don't offer a "tab" program at this time. We will confidentially hold your payment information, so that there is not a delay in delivery. If a change of delivery needs to be made, please contact us directly.

Let us know which of these options would serve your needs best.
