

Don't Be a Burden To Your Family!

Part of responsible planning is protecting your loved ones from the unexpected cost of your final arrangements.

You can rest assured that you have planned to provide the benefits to cover the costs of your funeral arrangements at the time of need.

No one is sure what their future may hold. You can take action today to ensure that your loved ones are cared for in the event of a death.

About

Our Company

Legacy of Love Funeral Planning is a concierge funeral planning service that allows you to pre-plan your funeral wishes and fund your final expenses.

Pre-Arrange Your Funeral Expenses

www.LegacyOfLove.com

Why Pre-Plan?

62.5 % of Americans feel it is very important to talk about funeral plans but only...

21.4%

of Americans have actually made pre-arrangements.

- Spare loved ones from having to make tough decisions
- Reduce financial burden on family & prevent "emotional" overspending
- Pre-fund arrangements at today's prices
- Express your wishes and have them honored
- May help you qualify for Medicaid benefits or other public assistance

Benefits

Legacy of Love is a concierge funeral planning service that assists individuals with pre-arranging their funeral expenses and funeral wishes. This program ensures peace of mind and an everlasting legacy.

How It Works

Getting started is simple.

- 1 Plan with an Agent**
Work with your agent to select your funeral preferences and estimate costs.
- 2 Select Your Payment Option**
Choose from single pay or multi-pay (1, 3, 5, 10 year)
- 3 Submit Application**
Simple online application with no medical exams
- 4 Relax**
Planning ahead gives you and your family peace of mind

Who Qualifies?

- Ages 50-99
- Anyone who, in the last 12 months, has not been confined to a hospital, received hospice care, or been informed by a member of medical profession that he/she has a terminal illness or life expectancy of 12 months or less.
