- 4) Ask the person receiving prayer what they want to be free from and try to make sure they actually want to get free
  - Matthew 12:43-45
- 5) Make sure the person receiving prayer has accepted Jesus as his Lord and Savior
- 6) Interview the person receiving ministry to discover the events, relationships, or situations which have led to the bondage

- 7) Lead the person receiving prayer in closing these doors and removing these footholds
