

Outdoor 2024 Collection

- **Breathe**

A 10-ounce sweet peppermint and earthy eucalyptus blend for a refreshing outdoor scent. A non-citronella candle. **Top notes:** Peppermint, Eucalyptus; **Middle notes:** Clove, Cedar; **Base notes:** Patchouli, Vanilla, Powder. Because this is **intended as an outdoor-only candle**, it is poured in an upcycled Classic Shoreline Cube - and, of course, it has the heron ceramic seal.

- **Orchard Thyme**

A pleasing 10-ounce fruity citronella scent that combines juicy pear, aromatic thyme, and herbaceous citrus. A must-have for your next barbecue! Because this is **intended as an outdoor-only candle**, it is poured in an upcycled Classic Shoreline Cube - and, of course, it has the heron ceramic seal.

- **Serenity**

This is a strong 10-ounce citronella, that blends pleasantly with the complementary aromas of lemongrass and verbena. Each note bolsters the other beautifully. You will love the luxurious citrus character of the fragrances blending with the summertime staple of citronella. Because this is **intended as an outdoor-only candle**, it is poured in an upcycled Classic Shoreline Cube - and, of course, it has the heron ceramic seal.

- **Zinger**

A 10-ounce melding of earthy saffron and bright ginger are featured in this citronella fragrance. The zing of ginger perfectly complements the citrus aromas of citronella, while the saffron lends depth. Because this is **intended as an outdoor-only candle**, it is poured in an upcycled Classic Shoreline Cube - and, of course, it has the heron ceramic seal.
