

SIGNATURE FACIAL

80 Minute

Designed to protect the skin from premature aging caused by environmental factors, this treatment helps restore and balance the skin’s natural barrier, promoting optimal skin health. Leaving a fresh, natural glow, with a luminous complexion that is revitalized. With a focus on strengthening the skin’s defenses, it enhances its ability to combat pollutants and environmental stressors, ensuring long-lasting protection. Ideal for those seeking a youthful, radiant appearance, this facial treatment supports the skin in maintaining its natural resilience.

In addition to the 50-minute treatment the protocol features a triple exfoliation with Peeling Liquid, Enzymatic and Chemical peel, extractions (if required), customized Ampoule Serum Concentrate , and the complete 20-minute Face Sculpting Massage.
