

You Are Invited...

IMPACT504, First Zion Baptist Church, Uncommon Construction,
Transcendent Law Group, and DiversiTea Divas

proudly invite you to the

GRAND OPENING CEREMONY

of the

GERT TOWN COMMUNITY FRIDGE & PANTRY

*a project built on the belief that access to food is a basic necessity and that
communities are strongest when neighbors care for one another.*

This initiative is a direct response to the growing challenge of food access in our area. Through the generosity of local residents, businesses, faith organizations, and volunteers, this resource will provide free food to anyone in need, while empowering the community to be part of the solution.

Join us as we celebrate a new chapter of service, compassion, and community empowerment. Together, we are transforming generosity into action and turning concern into lasting IMPACT!

SATURDAY, OCTOBER 17, 2026
