

Bacchus USA is looking for products for exposure for upcoming events and we were wondering if you represent any Brands which you would like featured in a number of high-profile settings.

Below is a list of the events Bacchus USA will be placing brands and products for exposure. We are looking for wines, water, healthy snacks & candies (chocolates) and a variety of other products for VIP "swag bags" as well as products for VIPs, hotel rooms, etc.

There will also be VIP swagbags at photo ops, private parties for entertainers. There is one coming up in mid-July with a very famous Hip-Hop star.

Victor, the CEO of Bacchus USA, will need to sample any wines or beverage product before approaching the Publicist or the Event Committee's for product approval.

The next big event is the MTV Movie and TV Awards in CA. Of course, there are many other events throughout the year into the beginning of 2019 with the Oscar Awards. We would like you to take a look at the events below and see if anything suits you!

While each event is different, one of the many marketing perks you will receive will be tickets to attend the event. How many is yet to be determined. All product exposure perks are still being worked through and please know there will be a product placement cost as well, but the exposure for any Brand you represent that is placed at the events, will be phenomenal.

You should also know this list of events is still growing. Please let me know if there is anything we can do for you!

Thank you,

Brett Baker  
Director of Communications  
Bacchus USA
