Château Pomeaux, Pomerol, France:

It is with great pleasure Château Pomeaux makes this announcement:

We have carefully and correctly selected the Marketing and PR Firm, Bacchus USA of Suisun City, California USA as the Exclusive Representative & Agent in the United States of America for our ultra-high quality, premium wine brand: Château Pomeaux. We have also awarded Bacchus USA an Exclusive for Château Pomeaux in the territories of China, Norway, Sweden & Finland.

Château Pomeaux Pomerol is coming soon to the United States of America, China and Scandinavia!

As it should be, our Château Pomeaux Pomerol luxury wine has an extremely limited production and supply; at Château Pomeaux we sacrifice quantity for quality, not vice versa! Approximately 4,000 to 5,000 bottles (0.75 liters each) of our select premium quality wines are produced annually. The combination of magnificent terroir and the decision of the Château to produce an ultra-high quality wine, along with the winemaking expertise of Mr. Rolland, and now Joël Pallous, at the Château results in Château Pomeaux producing wines at the Utmost highest possible quality and Elegance on the southern slope of Pomerol!

The Vineyards: Château Pomeaux's two hectares of vineyards are located in a magnificent position on the southern slope of the Pomerol plateau over the border of St. Emilion and Pomerol. Pomeaux is taking advantage of a rich soil which is a combination of gravel, clay, and ferruginous sand with iron-pan and clay in the subsoil.

The vineyards neighboring less than one mile away are widely regarded as outstanding wines of the appellation such as Château Petrus, Vieux Château Certan and Château Le Pin, and also about one quarter mile from Château Cheval Blanc and Château Figeac, which can be clearly seen from Château Pomeaux's windows.

Château Pomeaux's vines, which are 100% Merlot Noir, have an average age of 45 years. Château Pomeaux produces an extraordinarily rich and robust wine with delicate balance and an elegant and marvelous bouquet.

We, at Château Pomeaux and Bacchus USA look forward to our new relationship and we will bring you what wine lovers for generations have known – the exquisite experience of Château Pomeaux Pomerol luxury wine! We would also like to take this opportunity to congratulate our friends at Bacchus USA as we look forward to a bright and exciting future. *Bravo!*
