Château Petit Moulin

## Vignobles Signé - Château Petit Moulin

The Family Signé has been producing fine wine in the Deux Mers's area of Bordeaux since 1713; the family has been the owner of two Châteaux set amidst 70 hectares of beautiful and precious vines!

On July 21st, 1713 Jean Fradin (miller) bought the water mill PETIT MOULIN. He stopped his activity of miller to become the wine grower of CHÂTEAU PETIT MOULIN. In 1969, Alain Signé the 16th generation family member began to develop the family winery. His children joined the company in 1998, Valérie sells wines and Frédéric manages the production and together they bought Château de Los.

The Château Petit Moulin vineyard is located in the heart of the Entre Deux Mers, and is divided into 5 areas over 30km, giving a wide variety of soils (gravels, clays and limestones); Château Petit Moulin produces quality Bordeaux wines and all Vignobles Signé wines are Premier Cru!

### **Château Petit Moulin Bordeaux Rouge**

Château Petit Moulin Rouge has an attractive bright robe with ruby glints; it has elegance on the nose with hints ripe merlot fruit. Good complexity on the palate with red berry flavours, well structured without being aggressive!

### **Château Petit Moulin Bordeaux Blanc**

Château Petit Moulin Blanc has a lovely pale yellow color, a rich bouquet with ripe Sauvignon Blanc aromas (broom and acacia flowers). It's well-balanced on the palate, with an initial impression of lively freshness. The bouquet of aromas follow through with a nice, long aftertaste!

### **Château Petit Moulin Rosé**

Château Petit Moulin Rosé is a pretty, brilliant pink color with raspberry tints. A clean fresh nose marked with aromas of red fruit; the attack is supple leading to a fresh, acidulous impression with notes of redcurrant and grenadine!

Château Petit Moulin 2016  
Bordeaux Blanc

Tight and crisply fruity, this wine comes from a property in the Vignobles Signé family since 1649. With a strong herbal character, it is refreshing and already delicious, bright and lively. Plenty of acidity keeps this wine packed with forward fruit. Drink now.
