Dear City Council,

I am writing to express my strong opposition to proposed § 92.111 City Lake Special Environs Overlay District. As an adjacent landowner having lands within this proposed overlay district, I am opposed to regulation that infringes on my sovereign property rights.

As an adjacent landowner I hereby notify Albemarle City Council: I strongly oppose any Overlay District. An overlay district will impede my sovereign property rights.

It is an absolute shame and disgrace that elected representatives are constantly engaged in creating legislation aimed at undermining landowners having sovereign property rights.

Long Lake is a city asset of no special value to the citizens of Albemarle City, NC. It holds no environmental or conservation value, it does not support any commodity necessary for human existence i.e. potable water, it impedes the natural flow of surface water & storm water disbursement. It is strictly a real estate asset of Albemarle City, NC.

The assets of Albemarle City, NC have no greater value than assets of adjacent landowners.

I urge City Council to quash proposed § 92.111 City Lake Special Environs Overlay District.

Concerned Citizen of Albemarle City, NC
