September 4, 5, 6, 2026 marks the 68<sup>th</sup> Annual Portuguese Bend National Horse Show. This major fundraising event of Peninsula Committee Children's Hospital (PCCH) will support the Associates Chair in Pulmonology and Sleep Medicine and the Associates Chair in Ophthalmology at Children's Hospital Los Angeles (CHLA).

Children's Hospital Los Angeles is dedicated to creating hope and building healthier futures for children. Founded in 1901, CHLA is one of the nation's leading pediatric academic medical centers and is acknowledged worldwide for its leadership in pediatric and adolescent health. The hospital relies on the generosity of the community to support its groundbreaking research and complex care.

The Portuguese Bend National Horse Show is a United States Equestrian Federation (USEF) Heritage Competition. It has two fully scheduled rings offering a wide variety of classes. The \$10,000 Harman Family Junior/Amateur Jumper Classic and the \$10,000 Seahorse Open Jumper Classic challenge some of the West Coast's finest riders.

PCCH is unique in that its membership is comprised of over 175 families who plan, implement, and staff this event, volunteering over 15,000 hours each year. Food booths, boutiques, and children's activities make it a wonderful experience for both riders and spectators.
