\$5,000 Seahorse USHJA National Hunter Derby

USHJA National Hunter Derbies are open to any horse or pony registered with USHJA. In order to receive Zone Horse of the Year bonus points, horses, ponies and owners must be actively recorded with USEF and registered with USHJA, and riders must fill out the official USHJA Declaration Form in the horse show office.

Whether an end goal or a stepping stone toward competing in an International Hunter Derby, the USHJA National Hunter Derbies have often proven some of the most exciting and coveted classes at competitions nationwide, while educating athletes, both human and equine, in the time-honored tradition of showing hunters.
