WELCOME BACK TO OUR SHOW MANAGERS!

Steve Hankin

Steve Hankin is the former President and CEO of Desert International Horse Park. A horseman and rider himself, Steve is passionate about promoting the sport. Steve is dedicated to duplicating the same goals here at PBNHS that he achieved at DIHP and we are grateful to have him on board!

Ashley Keeler

Ashley Keeler has been a part of the horse show industry for over 30 years as a trainer, rider, and horse show staff. She has shown all over the country and earned USEF A/O Hunter of the Year in 2006. Ashley's experience in and out of the horse show arena help her to understand all the details that go into the horse show and to better serve the exhibitors. Steve always refers to Ashley as simply the best there is at running a horse show office. Welcome to PBNHS, Ashley!

HUNTER JUMPER ASSOCIATION™

\$5,000 Seahorse USHJA National Hunter Derby

USHJA National Hunter Derbies are open to any horse or pony registered with USHJA. In order to receive Zone Horse of the Year bonus points, horses, ponies and owners must be actively recorded with USEF and registered with USHJA, and riders must fill out the official USHJA Declaration Form in the horse show office.

Whether an end goal or a stepping stone toward competing in an International Hunter Derby, the USHJA National Hunter Derbies have often proven some of the most exciting and coveted classes at competitions nationwide, while educating athletes, both human and equine, in the time-honored tradition of showing hunters.

For information on the USHJA National Hunter Derby, visit Official Class Specifications available online: <https://ushja.org/competition/hunter/national-hunter-derby>

134. PCHA HORSEMANSHIP FINALS, 14 & UNDER, WARM-UP - THIS IS THE FINAL QUALIFYING CLASS!!

Fences - 3'3"

Entry Fee - \$60

Order of go for the warm-up will be the same as Round 1 of the Finals.

Order of go for the Finals **MUST** be followed unless permission is given by the T.D.

135. PCHA HORSEMANSHIP FINALS, 14 & UNDER

Fences 3'3"

Entry Fee - \$150

Eligibility - Any rider who has ridden in the PCHA Horsemanship Class Finals during the year following the previous PCHA Horsemanship Class Finals competition.

The same horse must be ridden through all phases of the competition. However, due to illness or injury of the horse, a rider may petition to ride a substitute horse, but this must be approved by the Appeals Committee consisting of the Manager, the Chief Steward, the Technical Delegate, and the Official Horse Show Veterinarian.

Schooling - Only material provided or previously approved by the organizing committee may be used, and must be available for all competitors to use while warming up. **Starting thirty (30) minutes prior to the competition and while the class is in progress, medal horses may jump in the designated schooling area only. This rule includes the Finals Warm-Up Round. If a medal competition horse jumps in an area other than the designated schooling area during that time, the medal class exhibitor will get a zero score for that round.** Anyone can ride in the designated schooling area on a medal finalist's horse.

Course - Three (3) rounds, consisting of a course of at least eight fences about 3'3" in height. There must be one combination, at least 2 changes of direction and 2 tests (USEF 1-18) included as part of the original course. Course designer(s) must confer with the judges during the course walk set aside for them exclusively. Judges should review the course and suggested tests, and may make modifications in conjunction with the course designer prior to the general course walk. Course will not be posted until Course Designer and Judges have conferred and agreed on the tests.

Judging - There will be 2 judges using the open numerical system. Judges may use whole numbers or any fraction thereof; however, if necessary judges may use the same score more than once. The rider's score in each round will be an average of each judge's score. During the three (3) rounds, the judges sit apart. If a fourth round (work-off) is necessary, the judges will sit together.

Competition -

Round 1: All eligible riders; order of go will be drawn. Ribbons awarded through 10th place. Ties will remain tied and riders will flip for ribbons.

Round 2: All riders will return for Round 2. The order of go for Round 2 will be a simple jumper rotation of the first round, regardless of any scratches. Example: If there is a class of 45 riders in the 1st round, divide by 2 and round to the higher number (23.) Thus, the 2nd round will run with 24th through 45th followed by 1st through 23rd. Ribbons awarded through 10th place. Ties remain tied and riders will flip for ribbons.

Round 3: The top 12 riders from Rounds 1 and 2 and any additional riders with a score of 80 or better will be eligible to ride in Round 3. The average from Round 3 will be averaged with the combined average from Rounds 1 and 2. The rider's combined average will be used to establish the order of go - lowest first, highest last. In case of ties, the order will be the order of Round 1. After completion of the final round, any riders having less than three (3) points separating them from the leader will be required to perform additional tests at the discretion of the judges. All riders will remain in the ring with no additional schooling allowed. Finals work-off score is not to be announced, and will be added to the rider's total. Ties in Round 3, not involving 1st place, will be broken by using the rider's scores in Round 2.

Schedule & Awards - The order of go will be drawn and posted on showgroundslive.com by 6:00pm the day before.

A microchip used to verify identity must be a fifteen-digit ISO compliant 11784/11785 chip and be implanted in the nuchal ligament of the animal. All horses that are competing in classes which require USHJA registration which are not microchipped will be ineligible to compete in Federation licensed competitions, Exceptions: USHJA Outreach and those activities enumerated in GR901.9.

16. VACCINATION REQUIREMENTS

Per USEF GR845 12/1/15 All horses entering the show grounds must have proof of vaccinations against Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) within six months prior to entering the stables. All orders MUST be placed with the Show Office by 12 noon for same day delivery. No email or text orders during the show.

19. RETURNED CHECKS

Checks returned by the bank for any reason are regarded as a most serious offense and will be handled according to the following procedure: **A 10% PENALTY WILL BE ASSESSED FOR EVERY RETURNED CHECK! (MINIMUM OF \$25)** Accounts will be given ten days to be paid in full with cash or cash equivalent or they will be turned in to the USEF and the PCHA for further disciplinary action.

20. CONDITION OF ENTRY AND ASSUMPTION OF RISK

Every horse entered for competition will be under the control of Horse Show Management, but the Horse Show Management will, in no case, be responsible for any loss or damage that may occur and it shall be a condition of entry that each exhibitor shall hold the Horse Show (competition) and its' officials, employees, directors, officers, Portuguese Bend National Horse Show, Peninsula Committee Children's Hospital, Equestrian Enterprises, Inc., Children's Hospital Los Angeles, the City of Rolling Hills Estates, and sponsoring entities harmless for any loss or accident to his/her horse, employees or equipment which may occur from sickness, fire or other cause.

By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach Driver, Handler, Vaultor or Longeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury, and in some cases death, because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance, and expressly assumes all such inherent risks whether identified herein, in the entry blank or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot, or push a person, all of which may cause the rider or observer to fall, be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to the observer or rider or to another horse – a loose horse can run at a full gallop in a panic and run into objects, or persons or other horses.

The Show Ground Facilities are bordered by highways and roads and thus noise from the traffic and other sources occur that can and will cause a horse to unexpectedly spook and react quickly. **The Show Ground Facilities** contain roads and driveways that are traversed by cars, golf carts, tractors, trailers, and heavy equipment, all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered, but it is agreed this is not an exhaustive list and there are numerous additional conditions, and/or events that may result in injuries while participating in the Competition and/or being present on the **Show Ground Facilities**.

21. UNPAID CHARGES/ UNCOLLECTED FUNDS

All accounts not settled by 5:00 pm on the last day of competition of the competition week will be closed out by the official show secretary using the payment information provided. All persons issuing returned check and/or declined credit cards will have ten days to settle their account, with cash or cash equivalent (including a \$50 penalty) or will be turned over to USEF & PCHA for disciplinary action.

22. CLOSED RINGS

Show arenas are closed at all times when not being used for classes or warm-up sessions. VIOLATIONS of the above WILL be considered cause for elimination from the show and/or a \$100 fine.

23. COURSES

Courses may consist of any combination of the following: brush, gates, oxers, post & rails, water, liverpools, ditch, walls, panels, banks, and coops. The Horse Show Management reserves the right to adjust fence heights or spreads as competition warrants.

24. NUMBERS

Management will provide a number card for each competitor which shall be worn on the rider's back, clearly visible to the judge at all times when in competition. Riders wearing the wrong number, or no number at all, MAY be eliminated from the class by the judges.

25. CONFLICTS

It is the intention of management to avoid holding rings to wait for horses and/or riders. Competitors with conflicts must arrange their jumping order with the starters so that they will not hold up a class. Starters have the authority to scratch competitors who are not timely. Trainer conflicts are not considered legitimate conflicts.

26. DOGS!!!

Dogs are a serious safety and health problem at a horse show. All exhibitors are urged to leave their dogs at home. Management reserves the right to call Animal Control if necessary. **ALL DOGS AND OTHER PETS MUST BE ON LEASHES AT ALL TIMES!!!** USEF GR 1301.6 —Dog owners failing to comply with this rule may be subject to penalty under chapters 6 and 7, as well as issuance of warning cards.

27. MOTORIZED VEHICLES

Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with Chapter 6. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

28. RV SPACES

There are NO RV spaces available under any circumstances.

29. MEDICAL WASTE/SHARPS CONTAINERS

In accordance with the 1989 Federal Waste Tracking Act, which restricts the disposal of medical waste, Bio Hazardous Medical Waste containers will be provided in the stable area. All exhibitors and their agents are responsible for the proper disposal of this waste. Sharps must be placed in proper receptacles, which will be located in the stable area.

30. ARENAS

Footing in all warm-up areas and competition arenas is all-weather and/or sand mixture. Ring 1 - 125' x 260'
Ring 2 - 95' x 260'

31. HELMET RULE

It is compulsory for all persons at Federation licensed hunter, jumper or hunter/jumper competitions when mounted anywhere on the competition grounds, to wear properly fastened protective headgear in compliance with the accepted testing standards published on the Federation's website. Protective headgear must carry the applicable quality testing tag and/or label. It must be properly fitted with harness secured. Exception: In Hunter or Jumper classes, adults may be allowed to remove their headgear while accepting prizes and during the National Anthem only: they must refasten their headgear prior to the lap of honor. It is compulsory for riders in Paso Fina classes, both open and breed restricted including Hunter Hack, where jumping is required and when jumping anywhere on the competition grounds to wear properly fastened protective headgear. It must be properly fitted with harness secured. A Show Committee, Competition Management, and Licensed Officials must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience.

32. PARKING

All exhibitors parking will be across Hawthorne Boulevard. Complimentary shuttle provided to stable area. Paid VIP parking WILL be available on a first-come basis. Please email Ashley@deserthorsepark.com to reserve VIP Parking.

33. NO SMOKING IS ALLOWED ON THE SHOW GROUNDS, AS ERNIE HOWLETT PARK IS A CITY PARK.

34. COMBINING/SPLITTING OF CLASSES: IN ALL "A" RATED HUNTER SECTIONS

Should entries warrant, all "A" rated hunter sections will be split or combined following USEF rules and will be done so at the close of the horse show office on the evening preceding the first class in each section; therefore entries MUST be completed for "A" rated hunter divisions accordingly to be considered. Same day scratches and/or "no-shows" at the gate in all "A" rated hunter sections will forfeit their entry fee unless a Certificate from the Official Show Veterinarian vet scratch for the show is received by the official show secretary prior to the section in question. Should same day scratches or no-shows result in insufficient entries to keep sections split, sections will be combined. "Non-showing" fees will be assessed accordingly.
