Introducing K/A Productions

K/A Productions is built on the partnership between Karen Perlow and Alison Gerami, whose strengths naturally balance each other and shape the feel of every show they produce. Since first connecting in 2019 through Raizy Goffman of Camelot Events, the two quickly realized they shared the same goal: to bring back the foundation of the local horse show circuit to the Los

Angeles community.

By early 2021, they had joined forces with a clear focus, creating shows that are accessible, affordable, and genuinely enjoyable for riders, trainers, and developing horses. Not just something to attend, but something to be part of.

Karen, the owner and trainer of Grandview Farms brings a wealth of experience and leadership to the sport. Her father was a horse show manager, so this world has always been part of how she thinks and operates. That history shows up in the details, how the ring runs, how riders are supported, and how the shows stay grounded in tradition while still moving forward.

Alison complements that foundation by handling the operational side with intention and consistency. She keeps everything running smoothly behind the scenes, with a real focus on the exhibitor experience and making sure people feel welcome from the moment they arrive.

Together, Karen and Alison aren't just producing horse shows, they're building something that feels familiar, supportive, and rooted in the Southern California community. The goal is simple: create a place where people want to come back to creating a lifetime of horse show memories.

Equine Health Entry Requirements

Protecting the health of your horse and other horses at the Portuguese Bend National Horse Show is of the utmost importance. We are implementing Required Biosecurity Measures to decrease the risk of introduction and/or spread of contagious or infectious disease at our shows.

Horses must arrive only between the hours of 8 am - 5 pm daily. Off-hours arrival must obtain permission from Show Management 24 hours prior to arrival.

UPON ARRIVAL TO ERNIE HOWLETT PARK, ALL HORSES MUST HAVE/PROVIDE:

TRAINER DECLARATION OF HEALTH (REQUIRED):

Trainer must sign the Trainer Health Declaration form to confirm that all horses entering the show grounds have been in good health with no sign of infectious disease and have not had a fever above 101.5°F within the last 14 days. Signing this form confirms that the horses listed are not demonstrating any signs of EHV-1, have not had any known exposure to EHV-1 in 21 days, and are not coming from a property with known EHV-1 positive cases.

USEF VACCINATION RECORD (REQUIRED):

The USEF Vaccination Record form must be completed. The following information must be included: date of vaccination; place of vaccination; vaccine name, vaccine batch, and vaccine route mode. Form must be signed and stamped by attending veterinarian.

Within 6 months (180 days) of each show: **Equine Influenza**

Within 6 months (180 days) of each show **EHV 1 and EHV 4**

If a vaccination will expire during one of the shows, the horse must receive its new vaccination prior to being issued a competition number for that show.

7 DAY TEMPERATURE LOG (REQUIRED):

A 7 day temperature log, with temperatures taken twice per day, must be submitted for each horse 24 hours prior to arrival.

VET EVALUATION/STATEMENT OF HEALTH (REQUIRED):

A signed letter must be submitted by attending veterinarian stating that each horse is in good health and with no sign of infectious disease. This letter should confirm that the horses are not demonstrating any signs of EHV-1, have not had any known exposure to EHV-1 positive cases. **EVALUATION MUST BE CONDUCTED WITHIN 14 DAYS OF ARRIVAL**

PRESENTATION OF HEALTH REQUIREMENTS

(REQUIRED):

The Equine Health Requirements are Required for all horses entering the Show Grounds both Showing and Non-Showing.

These documents must be in the Show Office before any competition numbers will be issued. In addition, random checks for Equine Health Requirements will occur. Be sure to keep a copy of all of your horse's Equine Health Requirements in an easily accessible spot (in your tack room or tack bunk, tack trunk, truck or trailer) to ensure you can comply with this requirement. The results on all required papers must indicate the horse's registered (show) name.

Any horse not accompanied by these documents will be directed to the Show Veterinarian to obtain the required documents and/or vaccinations, and/or will be placed in quarantined stabling until the proper documents are obtained. Any horse showing signs of fever/illness/stress is subject to examination by Officials and/or the Show Veterinarian, who may at their sole discretion, place the horse in quarantined stabling or take further action if deemed necessary.

These forms are required to bring a horse to the Portuguese Bend National Horse Show and must be submitted 24 hours before or upon arrival. These signed forms will be considered truthful and binding. In the event of any of these protocols being disregarded, we will refuse further entries from all related horses and we will inform USEF for further disciplinary action. Noncompliance with these protocols will result in penalties imposed by USEF on trainers and owners as well as competitions that knowingly permit non-compliant horses on the showgrounds. The required forms can be found in this prize list and at USEF.org

(MINIMUM OF \$25)** Accounts will be given ten days to be paid in full with cash or cash equivalent or they will be turned in to the USEF and the PCHA for further disciplinary action.

20. CONDITION OF ENTRY AND ASSUMPTION OF RISK

Every horse entered for competition will be under the control of Horse Show Management, but the Horse Show Management will, in no case, be responsible for any loss or damage that may occur and it shall be a condition of entry that each exhibitor shall hold the Horse Show (competition) and its' officials, employees, directors, officers, Portuguese Bend National Horse Show, Peninsula Committee Children's Hospital, Equestrian Enterprises, Inc., Children's Hospital Los Angeles, the City of Rolling Hills Estates, and sponsoring entities harmless for any loss or accident to his/her horse, employees or equipment which may occur from sickness, fire or other cause.

By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach Driver, Handler, Vaulteur or Longeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury, and in some cases death, because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance, and expressly assumes all such inherent risks whether identified herein, in the entry blank or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot, or push a person, all of which may cause the rider or observer to fall, be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to the observer or rider or to another horse – a loose horse can run at a full gallop in a panic and run into objects, or persons or other horses. **The Show Ground Facilities** are bordered by highways & roads and thus noise from the traffic and other sources occur that can and will cause a horse to unexpectedly spook and react quickly. **The Show Ground Facilities** contain roads and driveways that are traversed by cars, golf carts, tractors, trailers, and heavy equipment, all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered, but it is agreed this is not an exhaustive list and there are numerous additional conditions, and/or events that may result in injuries while participating in the Competition and/or being present on the **Show Ground Facilities**.

21. UNPAID CHARGES/ UNCOLLECTED FUNDS

All accounts not settled by 5:00 pm on the last day of competition of the competition week will be closed out by the official show secretary using the payment information provided. All persons issuing returned check and/or declined credit cards will have ten days to settle their account, with cash or cash equivalent (including a \$50 penalty) or will be turned over to USEF & PCHA for disciplinary action.

22. CLOSED RINGS

Show arenas are closed at all times when not being used for classes or warm-up sessions. VIOLATIONS of the above WILL be considered cause for elimination from the show and/or a \$100 fine.

23. COURSES

24. NUMBERS

Management will provide a number card for each competitor which shall be worn on the rider's back, clearly visible to the judge at all times when in competition. Riders wearing the wrong number, or no number at all, MAY be eliminated from the class by the judges.

25. CONFLICTS

It is the intention of management to avoid holding rings to wait for horses and/or riders. Competitors with conflicts must arrange their jumping order with the starters so that they will not hold up a class. Starters have the authority to scratch competitors who are not timely. Trainer conflicts are not considered legitimate conflicts.

26. DOGS!!!

Dogs are a serious safety and health problem at a horse show. All exhibitors are urged to leave their dogs at home. Management reserves the right to call Animal Control if necessary. **ALL DOGS AND OTHER PETS MUST BE ON LEASHES AT ALL TIMES!!!** USEF GR 1301.6 —Dog owners failing to comply with this rule may be subject to penalty under chapters 6 and 7, as well as issuance of warning cards.

27. MOTORIZED VEHICLES

Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with Chapter 6. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

It must be properly fitted with harness secured.
