## Public Service Announcement

The Avoca Village Board of Trustees has been made aware that alternative energy companies are in the village and surrounding area soliciting residents door-to-door for alternate energy provider services. The Board of Trustees would like to remind all residents to be mindful and cautious when dealing with any company or person if releasing any sensitive personal information or financial information.

Village residents who have questions or concerns with this type of activity or if a person or company approaches your residence soliciting sensitive personal or financial information, please contact local law enforcement or call 911 if there is any immediate threat or you feel unsafe with any interaction.

Further information on avoiding door-to-door scams can also be reviewed at the following link:
