

■ Clamming Gear Checklist

- Shellfishing Permit – Required for clamming on Cape Cod.
- Clam Rake or Hoe – Long handle with short tines for digging.
- Bucket or Basket – To collect your clams.
- Measuring Gauge – Ensures clams meet legal size limits.
- Waders or Old Sneakers – Protect your feet from sharp shells.
- Gloves – Optional, but helpful for handling shells.
- Cooler with Ice – Keeps clams fresh until cooking.
- Sunscreen & Hat – For sun protection while digging.
- Towel & Change of Clothes – Things can get muddy!
- Tide Chart – Best digging is at low tide.
