Mission Statement

The Highland Community Learning Center will prepare students for the successful pursuit of higher education or employment in the field of their choice.

The Vision

The Highland Community Learning Center will be the premier educational institute, preparing students to meet and exceed expectations for business and industry today and into the future.

Admissions

Funding may be provided to Highland Community Learning Center to cover the cost of a student's education by obtaining the Jon Peterson or Autism scholarship. A student may be eligible for the Jon Peterson or Autism Scholarship if they are between the ages of 5 and 21, and if they have a current IEP and ETR. Once eligibility has been determined, the admission process may begin, and parents/guardians will be guided through the following steps:

1. Initial meeting with parents/guardians to tour school and discuss the student's unique needs. Parents/guardians will be provided with paperwork at this initial meeting.
2. Obtaining necessary documents (IEP, ETR, birth certificate, social security number, scholarship paperwork, shot records, transcripts/grades).
3. Successful upload of documents to the ODE website, where an account will be created for the student.
4. Once the student has been determined "eligible" for the scholarship, the parent/guardian will be notified and the student may begin receiving services.

Services

Highland Community Learning Center has a mission to provide an alternative educational experience to kindergarten through twelfth graders who have been unsuccessful in a typical classroom setting. We understand that every student learns at a different pace and through various means, and we strive to serve each student individually to help them to reach their full potential. Small classroom sizes and an individualized curriculum allow us to meet the needs of all of our students, both academically and socially.

Highland Community Learning Center is also proud to be able to serve those children in our community that have Autism Spectrum Disorder (ASD), as well as other diagnoses. At Highland, we pride ourselves on this capability to offer a tremendous school and learning experience to these children with learning disabilities and have a staff specialized in this field. Each student at our school will be taught a specific curriculum based on their IEP requirements. These services include:

All credit will be earned on a semester basis. To earn a semester’s worth of credit for any course a student must pass the first or last nine weeks of the semester.

Incompletes and/or Make-Up Work

A. MAKE UP WORK

When a student returns to school following an excused absence, the student will be permitted to make up the work covered during the absence. It is the student's responsibility to take the initiative and make arrangements for this. The student has the same number of school days missed, plus one, to make up his or her work as they were absent. This time period begins upon a student's return to school. Students who will miss class for any school sponsored field trip must make arrangements with teachers before leaving concerning the work that will be missed.

B. INCOMPLETES

Any student who receives an incomplete for a Nine Weeks Grade will have the appropriate time, as stated above, to finish the assigned work for that particular class. If the work is not made up in the appropriate time, then the student will receive a failing grade for that assignment, which will then be averaged with the other grades to determine the student's final grade.

STUDENT ABUSE AND NEGLECT

The Highland Community Learning Center is concerned with the physical and mental well-being of the students and will cooperate in the identification and reporting of cases of child abuse or neglect in accordance with law.

Every official and employee, who, in connection with his/her position, knows or suspects child abuse or neglect must immediately report that knowledge or suspicion to a public children's services or local law enforcement agency. Such reporting shall be required in every case that reasonably indicates that a child under the age of eighteen (18) or a physically or mentally disabled child under the age of twenty-one (21) has been abused (physically or mentally) or neglected or faces the threat of being abused or neglected.

The official and employee making the report shall also notify the appropriate administrator according to the Reporting Procedure for Student Abuse or Neglect.

The principal should be mindful of the possibility of physical or mental abuse being inflicted on a student by an employee. Any such instances, whether real or alleged, should be dealt with in accordance with the administrative guidelines and employees must report suspected abuse to public children's services or local law enforcement agency even when the suspected abuser is another official or employee.

The identity of the reporting person shall be confidential, subject only to disclosure by consent or court order. Information concerning alleged child abuse of a student is confidential information and is not to be shared with any unauthorized person. A staff member who violates this policy may be subject to disciplinary action and/or civil and/or criminal penalties.

A law enforcement officer or children's services agency investigating child abuse or neglect may interview a student on school grounds.

POLICY ON TRUANCY AND ATTENDANCE

Daily attendance in school is essential to the educational process and academic success.

Responsibility for assuring that students attend school rests by statute with the student's parent or guardian. To assist parents in meeting this responsibility, Highland Community Learning Center administration will make a strong effort to prevent and remedy truancy in its early stages for students who are found to be truant. HCLC shall keep a record of every excused and unexcused absence of each student. If no report of absence or written excuse is received, the absence shall be deemed unexcused. When a student has not been properly excused by a parent, or school officials from school/class, he/she can be considered truant.

Consequences of excessive excused absenteeism will be determined at the discretion of the Director.

The law of the State of Ohio recognizes six reasons for absence from school:

1. A personal illness or injury
2. A family illness
3. The quarantine of the home
4. The death of a relative
5. A religious holiday- these absences must be arranged in advance and be approved by the Director
6. Emergencies- these must be considered by the Director to be a good and sufficient cause for the absence from school.

Consequences of excessive absences:

When a student is excessively absent from school, the following will occur:

1. The district will notify the student's parents in writing within seven days of the triggering absence;
2. The student will follow the district's plan for absence intervention; and
3. The student and family may be referred to community resources.

Consequences of habitual truancy:

1. Within seven days of the triggering absence, the district will do the following:
 - a. Select members of the absence intervention team;
 - b. Make three meaningful attempts to secure the participation of the student's parent or guardian on the absence intervention team.
2. Within 10 days of the triggering absence, the student will be assigned to the selected absence intervention team;
3. Within 14 days after the assignment of the team, the district will develop the student's absence intervention plan;
4. If the student does not make progress on the plan within 61 days or continues to be excessively absent, the district will file a complaint in the juvenile court.

1. Highland Community Learning Center defines "habitually truant" as follows:
 - a. Absent 3 days in a row without a legitimate excuse;
 - b. Absent 5 or more days in one school month without a legitimate excuse;
 - c. Absent 25 or more days in one school year without a legitimate excuse.

2. Highland Community Learning Center "Excessive absences" are defined as follows:
 - a. Absent 7 or more days in one school month with or without a legitimate excuse;
 - b. Absent 35 or more days in one school year with or without a legitimate excuse.

Absence Intervention Team

When a student becomes habitually truant:

1. Within seven days of the triggering absence, the district must:
 - a. Select members of the absence intervention team;
 - b. Make and document three meaningful attempts to involve the student's parent or guardian on the absence intervention team.

2. Within 10 days of the triggering absence, the district must assign the student to the selected absence intervention team;

3. Within 14 days after the assignment of the team, the district must develop the student's absence intervention plan;

4. If the student fails to make progress on the plan within 61 days or continues to be excessively absent, the district must file a complaint in the juvenile court.

Absence Intervention Plan

The plan will include specific methods and strategies to help that particular student attend school on a regular basis and will include the role the student, parent, teacher, administrator, and aide must play to achieve that goal.

Documentation: Highland Community Learning Center has the right to request documentation of a legitimate excuse for an absence. If a student misses more than one day for an illness the administration may require a written statement from a physician or mental health professional documenting the illness and recommendation that the student not attend school. Written documentation may also be required for an absence to be excused for illness in the family, quarantine, medical/dental appointments, and college visits. If this documentation is not provided the absences will be recorded as unexcused absences and treated accordingly.

A. Administrative and/or Medical Excuses

The following reasons for absence, with proper documented evidence provided, will be considered to be Administrative and/or Medically Excused. The documented evidence (note, etc.) must be turned into the school office within three school days following the absence:

1. Personal illness requiring care from a physician
2. Critical illness in the family
3. Quarantine in the home
4. Observance of religious holidays
5. Death of a relative
6. Court appearance
7. Special circumstances with prior approval by the principal (this would include special situations such as family vacations etc.)

B. PARENTAL EXCUSES

Parents or legal guardians of a student may write a note stating the reason for the absence, which will excuse the student from school. This note must be turned into the office within three school days following the absence.

C. UNEXCUSED ABSENCE

Any absence without a proper excuse being turned into the school office within three school days after the absence. Credit for work missed during this time will not be granted.

D. EMERGENCY ADMINISTRATIVE REMOVAL

Any member of the Highland Community Learning Center Staff may remove any student from any class(es) if the student's continued presence interferes with the ability of the rest of the class to function in an orderly manner, or presents a danger to any other student. The decision of credit earned and/or make up work is left up to the discretion of the administrator in charge at the time.

E. STUDENT WITHDRAWAL

Highland Community Learning Center may decline service to students for egregious or dangerous behavior. The behavior would include physical or repetitive verbal confrontation with any staff member, destruction of property, making threats of violence to staff or students, and any violation that requires expulsion by Ohio laws.

A student may withdraw for any reason from HCLC.
