Purchase Agreement/Health Guarantee

Thank you for deciding to purchase a miniature schnauzer puppy. We want to make this a stress-free enjoyable experience for you. Please feel free to email or call us with any questions or concerns that you might have along the way. We will keep you up to date with information about your puppy as it grows until it is time for your puppy to go to its new home. The puppy will be able to be registered with the **American Kennel Club**.

This contract is written for the protection of both the breeder and the buyer. However, it is primarily written to protect the health and general wellbeing of the puppy.

Purchase Agreement

1. Please read the health guarantee completely before putting a deposit on a puppy. By putting a deposit on a puppy, you are agreeing to the terms and conditions within this contract.
2. We require a \$1,800.00 paid up front to hold the puppy. The total cost of the puppy is \$1,800.00. If you are wanting the tail docked, that is an extra fee of \$100.00, for vet costs. Once the payment has been received in full, a receipt and the puppy agreement will be issued and sent via email and/or when puppy is picked up.
3. The total cost of the puppy is non-refundable, unless there is a problem with the health of your puppy, that is found by a licensed veterinarian on the puppy's initial checkup. In this case, the buyer will have their choice of a full refund or transferring the payment to another available puppy (if available).

****Please be certain that you are ready for the time commitment and financial responsibility of a puppy prior to putting a deposit on one.****

1 Year Health Guarantee

1. It will be up to us, the breeders, to decide when the puppy will be ready to go to its new home. Usually at the age of 8 weeks, depending on the breed, weight of the puppy, and how easily weaned from the mother. We will not, under any circumstances, let the puppy leave before its ready.
2. The puppy is guaranteed to be in good health at the time of sale.
3. The puppy will be up to date on shots and worming at the time of pickup of the puppy. It is especially important that you continue the vaccinations and worming. Please do not expose the puppy to other dogs that are not vaccinated until he/she has completed the entire vaccination schedule – around 16-20 weeks old. Puppy will come with the shot and worm record.

4. The Puppy will have been vet checked. The puppy will have been deemed in good health at the time of sale.
5. The buyer, at their own expense, should have the puppy examined by a licensed vet within 72 hours of receiving the puppy.
6. Documentation from the Veterinarian must be sent to the breeder within 7 days for the Health Guarantee to be honored.
7. If within 72 hours, a licensed vet finds the puppy to be unhealthy or unfit for sale, the puppy may be returned for a full refund – provided the puppy has not been injured or neglected. The veterinarian must provide a statement deeming the puppy “unhealthy for purchase”
8. This guarantee does not cover any health issues caused by neglect or injury from the buyer.
9. This guarantee does not include minor illnesses and health issues such as colds, allergies, internal or external parasites, or umbilical hernias. However, the breeder will disclose any known illnesses or health issues prior to sale.
10. The breeder cannot assume responsibility for this puppy after 72 hours of the sale. It is the responsibility of the buyer to care for the puppy properly and keep it free from harm. Please remember that your puppy must be treated with great care and protected from danger.
11. The breeder assumes no responsibility for any medical expenses incurred after the sale.
12. Mini Schnauzers are highly intelligent dogs. The breeder assumes no responsibility for training difficulties or behavior problems. Buyer will receive an information packet on how to train their new puppy. If the buyer follows the recommendations given in the packet, the buyer should not have any problems with the training process.
13. The breeder does not guarantee size. We can give the buyer an educated guess as to full grown weight, but there are too many variables besides genetics.
14. The breeder does not guarantee fertility or ability to place in shows. The puppy is strictly sold as a TOP QUALITY PET registerable with AKC.
15. The breeder is not responsible for puppies which develop hypoglycemia after the puppy is in the new owner’s possession. The buyer will receive information on what to do if this occurs.
16. If for any reason I am unable to keep the puppy, I agree to return the puppy to the breeder and not place the puppy in a shelter or rescue.
