

Thank-you for your interest in working at Anderson's ACE Hardware, Inc., a Florida Corporation. Before filling out an application be aware that we are a retail business. As such we are **open 7days a week and most holidays**. The job will involve customer interaction and communication skills. There will be long periods of standing on a concrete floor, repeated lifting of up to 60#, bending, stooping, stretching, climbing up and down ladders, and other repetitive physical skills. You will also be in contact with various chemicals and materials which some applicants may find to be irritative or nuisance. You must be able to follow directions and use common sense to complete tasks. Basic math skills are required. Converting inches to feet, ounces to gallons, dividing materials into 1/2s and 1/4s as examples. You must be 18 years of age to fill propane and liquid chlorine.

All applicants will be background checked and references will be called. Incomplete or illegible applications will not be considered. Applications are kept on file for 3 months. We will call you if a position is available. Applicants for cashier positons must be bondable. Anderson's Ace is a tobacco-free, smoke-free, and drug-free work environment.

By signing below you acknowledge the job and scope of work for which you are applying.
