Cooking At Keturah's Haven

DINNER TIME AT KETURAH'S HAVEN

A Fresh Start After a Season of Rest

After a much needed sabbatical, the Founders of Keturah's Haven returned on July 1st with renewed energy, vision, and excitement to continue serving our mission: providing Christ-centered support to unhoused pregnant women ages 18-30.

Since reopening we have welcomed three young ladies into the program. While one has since transitioned out, we are currently honored to serve Jessi and Celestnye.

We are thrilled to introduce Ms. Andrea McClairne as Keturah's Haven's new House Manager! Ms. McClairne is dedicated to ensuring our young women follow the structure and guidelines of the home while experiencing Christ's love in action. Her heart for service and discipleship makes her a true blessing to The Haven family.

WALKING IN FAITH BUILDING FOUNDATIONS

At Keturah's Haven, we continue building a solid foundation rooted in Biblical principles, leading to true discipleship. These young mothers are not only preparing for motherhood, but also learning to walk in God's purpose for their lives.

New Blessing on Wheels

We are overjoyed to share that Keturah's Haven has been blessed with a new van! This vehicle is already making an impact by allowing us to safely transport multiple young ladies to appointments, church, classes, and ministry opportunities. What a gift from God!

CELEBRATING
**VOLUNTEERS &
SUPPORTERS**
WE THANK YOU ALL!

We appreciate every prayer, donation, and volunteer who stand with us. Together we are transforming lives through the love of Christ and the hope of the Gospel. Special thanks to Parkway Fellowship Youth, Crossroads Church(Big Serve), and Fit Foodie.

A special shout-out to Joe Lofy for his outstanding work in fixing the sprinkler system that has been broken for years!

With gratitude and blessings,

The Keturah's Haven Team
