

Keturah's Haven

HOUSE UPDATES

Eight women have been admitted since March. One of our previous residents recently moved into her new apartment and has been adjusting well . We have also welcomed 2 new babies to the Haven family.

Currently We are diligently seeking a transitional house that will be suited for the women with their babies, where they will live for up to a year to continue their learning and growth towards stability. If you or anyone you know has a 6 bedroom/4 bathroom house in the Katy Fort-bend area that could be gifted or rented to us (at a reasonable cost)

please Contact us at [832.437.8529](tel:832.437.8529) or [832.217.4892](tel:832.217.4892) .

PAST RESIDENTS SPOTLIGHT

Past resident Betzaba and her daughter Noelle

I am so blessed to be in the position I am today. All glory to God, it's so mysterious how the Lord works. A year or so from today I was five months pregnant and homeless. Flash forward to today I am currently making the most money I have ever made, working in an industry I always wanted to. I am also blessed to have the opportunity to be able to love the home I made for my children and me. Being able to not depend on welfare and not struggle has been a privilege. I praise the Lord every day knowing I can do a lot by myself. This wouldn't have occurred if I never had the spiritual guidance from Keturah's Haven. A year ago I was desperately praying to the Lord for all the things I currently have. I never felt so proud of myself for my hard work and dedication. Thank you so Mrs. R and Mr. David for giving women like myself a second chance in life.

Past resident Kadija with her son Salim and husband Samuel, on their wedding day April 1st.

My journey with Keturah's Haven started when my son and I went to the Haven in August of 2021. My spiritual turmoil began long before my pregnancy, and at the time the yearning I had for more made it hard to accept the reality of my circumstance. My confidence was shot, I hated my job, my self-esteem was low, my spirit and mind felt chaotic. When I became pregnant my life took a turn I had never expected or imagined, but I still couldn't hear God's calling, I was still resisting His will in my life. I initially didn't know what my time at Keturah's Haven would be like, it turned out to be one of the most transformative moments I had ever experienced. I was in a peaceful, Godly environment. The stillness the program brought me enabled me to hear God's call on me, see his love for me. Today, I feel so grounded and revived by the Holy Spirit. I am grateful to now be a part of Keturah's Haven Ministry and ready for God to use me in his kingdom building. Since leaving the program back in September 2021 I have re-enrolled into college, married the love of my life (God's divine intervention to say the least), and am working to ensure I can be the best mother to my amazing son. I am forever Thankful for Mr. David and Ms. Ruhamah for pouring into me and planting the seeds they have. Giving my life to Christ has been the best decision I ever made.

4 SIGNS THAT YOU LACK BOUNDARIES

1

"Your relationships tend to be difficult or dramatic."

2

"You find decision making a real challenge".

3

"You are constantly the victim of situations."

4

"You secretly feel that others don't show you respect"

"LACKING HEALTHY BOUNDARIES GOES BACK TO CHILDHOOD. IT OFTEN MEANS YOU DIDN'T HAVE A CAREGIVER WHO PROVIDED UNCONDITIONAL LOVE AND ACCEPTANCE. YOU HAD TO DO WHAT OTHERS WANTED TO AVOID BEING REJECTED OR ABANDONED. AND NOW AS AN ADULT THOSE ARE THE TWO THINGS YOU FEAR MOST."
