House Updates

Since January, we have admitted 15 residents. We currently have 3 women living in the home Rachel, Hannah, and Alley. One of the residents Alley recently had a caesarean and graciously placed the baby for adoption with a loving family. She will remain in the home for a time of grieving. Due to the overthrow of Roe Vs. Wade we have had an overflow of women seeking shelter and support.

Past Resident Spotlight

Hi I'm Alessandra and I came into Keturah's Haven in July 2022 , since being here at the haven, I have grown closer with God, and my faith has definitely become stronger.

After a day of being here at the Haven I came to Ms. Ruhamah and told her that I needed to talk to her. She looked at me and told me she already knew what it was about. Her spirit just knew, so she contacted the adoption agency that same morning before I had the chance to tell her, I am truly Thankful for her guidance and support. I met with the adoption agency, picked a family that I trusted and felt connected to to make sure I had a good home for my precious baby boy, and on August 24th Josiah made his arrival to the world and went home with his new family a few days later. Since coming to The

Haven, I have grown as a person and as a mother. Whenever I need to talk, Mrs.

Ruhamah is always there for me with whatever I vent about. She has been very supportive and loving towards me during this time. If I hadn't found Keturah's Haven, my life would have been very different, I am forever grateful for Keturah's Haven , for everyone who comes in and spends time with us, prays with us day in and day out. I am

also forever grateful for Mrs. Ruhamah and Mr. David

I'm definitely always going to have a special place in my heart for the Haven.
