Renetta Amiri

There's something deeply moving about watching a mother find her rhythm-especially one as devoted and nurturing as Renetta. With baby Amari snuggled safely in her arms, Renetta radiates peace, strength, and quiet determination. Her journey into motherhood has not been without challenges, but she faces each day with grace and a fierce love that inspires us all. At Keturah's Haven, we're proud to support Renetta as she creates a life of sustainability and purpose for her little one. Her commitment to growing not just as a mother, but as a woman with faith, dreams and goals, is what our mission is all about. Renetta, thank you for allowing us to walk alongside you-and for reminding us that every new beginning starts with love.

Kaishanteri Kayrus

Meet Kaishanteri and her beautiful baby boy, Kayrus. With strength, grace, and resilience, Kaishanteri has embraced motherhood and the journey toward a new beginning. At Keturah's Haven, we've had the privilege of walking alongside her as she builds a foundation of faith, stability, love, and hope for her little one. Kayrus is already deeply loved and surrounded by a community that believes in both his future and his mother's courage. Stories like theirs remind us why our mission matters-and how powerful it is when women are given the opportunity to thrive. We are so proud of Kaishanteri and honored to be part of her story.

Colleen Montague

Colleen has been volunteering with Keturah's Haven, teaching a **Celebrate Recovery Step Study** class with the residents. In teaching the class, she feels God calling her to a more permanent position with Keturah's Haven as the **Developmental Officer**.

"When we are obedient to God with the little things in life, He will trust us with the bigger things." As the Developmental Officer at Keturah's Haven, she will be responsible for securing the funding and resources needed to keep the mission alive. She will connect with donors, write grants, plan fundraising events, and tell the powerful stories that move hearts toward God's 'Call to Action' in helping homeless pregnant women find their way to spiritual growth and recovery from the trauma they have endured. When she was seeking God's guidance for this position, He answered with Isaiah 6:8: *"Then I heard the voice of the Lord saying, 'Whom shall I send? And who will go for us?' And I said, 'Here am I. Send me!'"* She knows now that the trauma she endured as a child, God has made for her good and others. With God's mercy and grace, Colleen has come out the other side of trauma and is called to share her journey with others so they too will see God's love that awaits them.

An Evening to Remember: Keturah's Haven Gala

What a beautiful night! Our recent Gala was a joyful celebration of community, purpose, and support for the women and babies of Keturah's Haven. The evening was filled with warmth, laughter, and generosity.

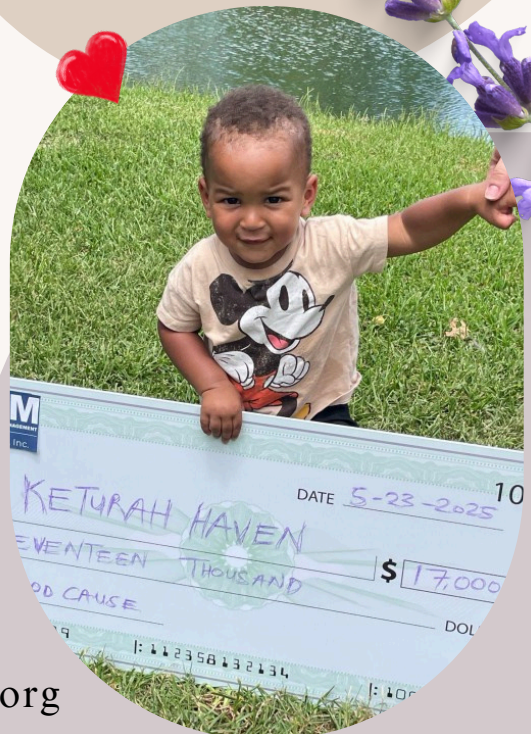

The cake auction was a standout hit, with every delicious dessert bringing both excitement and sweet support to our mission. We're deeply grateful to everyone who attended, donated, and volunteered. Your presence and partnership are what make events like this possible, and meaningful.

Thank you for believing in restoration, healing, and hope.

FAITH WEST ACADEMY SERVICE DAY

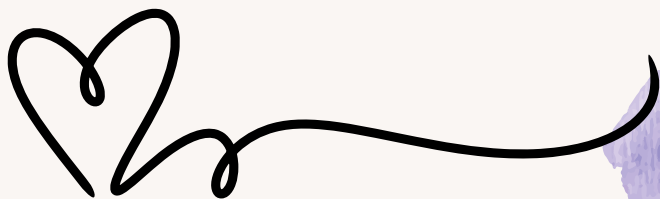

Students from Faith West Academy gathered to make a positive impact in their community by participating in a service day dedicated to landscaping. With energy and enthusiasm, they worked together to clean up and enhance the outdoor space around Keturah's Haven. Equipped with gloves, tools, and a shared sense of purpose, they dug in, planting flowers, trimming bushes, and clearing debris. This initiative not only beautified the area but also fostered teamwork and a spirit of service among the students. It's a wonderful reminder of how collective efforts can lead to meaningful change, illustrating the importance of community engagement and the joy of giving back. Such activities help instill values of responsibility and care for the environment in young minds, creating a brighter future for all.
