

Nonprofit Providing Housing for Homeless Pregnant Women

Dear Friends,

Keturah's Haven has found itself at a crossroads as financial support as well as Ruhamah's health have declined in the second half of 2025. After much prayer and reflection, the Board of Directors has made the difficult decision to cease the ministry's operations at the end of 2025.

David and Ruhamah Rylander had a calling from God to start the ministry in 2019. Since the beginning, Keturah's Haven has directed all activities to serving and following God's plan. The mission statement of Keturah's Haven was simply to break the chains of generational poverty and hopelessness by providing women in crisis pregnancies an environment to support them through the birth of their babies. The impact of Keturah's Haven has touched the lives of over 300 women and their babies. The Rylander's have served God obediently and sacrificed a lot as they served this ministry faithfully, Ecclesiastes 3:1 says, "***To everything there is a season, a time for every purpose under heaven.***"

This has been a hard decision, but we believe this is God's plan for the ministry. The Board thanks everyone that has prayed, volunteered, and donated to support Keturah's Haven. We sincerely appreciate everyone that served God in making Keturah's Haven a reality.

### **From David and Ruhamah**

To all our supporters, volunteers, prayer warriors, friends and families, please understand how much we appreciate you standing beside us all these years and we will always be grateful. This decision was made after crying out to our Heavenly Father for his answer.

May God's Blessings be with you all.

Sincerely,

Keturah's Haven Board of Directors
