

Creative Beginnings Parents,

For the month of February, we will be exploring our “Museum” theme, where we will travel virtually to all the Chicago museums. During week one, we will “visit” the Planetarium to learn all about space. Weeks two and three, we will visit the Field Museum to learn about dinosaurs and rocks. For the final week, we will travel to the Museum of Science and Industry to learn about transportation.

Classroom Reminders:

- We are having our **Valentine's Day parties** on the following days:
 - Thursday, Feb 12th for Mon/Tu/Th preschool, Multiage classes and both afternoon Pre-K classes.
 - Friday Feb 13th Wed/Fr am Preschool and Preschool Jr's classes.
- **Valentine's parties** are students only (no parents this time) and class times are normal.
 - Children are encouraged to bring valentines for their friends.
 - Please have your child address the cards to “**My Friend**” instead of addressing them to individual children. For our older students, this is also a great time to practice writing their names on the cards they are passing out to their friends!
 - You do not have to decorate or provide a box for your child's valentines. We will be decorating them in class.
 - Due to allergies, all valentines must be **food/candy free**.
- **Class sizes** are as follows:
 - Wed/Fr 9:00am Preschool Jr's class has 16 students
 - Wed/Fr 9:15 class has 18 students
 - Mon/Tu/Th preschool class has 17 students
 - Mon/Tu/Th multiage class has 18 students
 - Pre-K South 12:15pm class has 14 students
 - Pre-K North 12:30pm class has 15 students

•Refer a Friend-

- Thank you to everyone who has recommended our school to their friends! We get most of our new students through word of mouth from our current and former families. It is also very appreciated if you share our Facebook page so new families can find us!
- We are running a “**Refer a Friend**” special. If you refer a friend who signs up for classes fall 2026, you will get a discount for March’s tuition and your friend will get a break on their enrollment fee! We also attached a coupon for the friend to bring in when they enroll.

•Parent Teacher Conferences

- We will be hosting parent teacher conferences for the **preschool age** students at the end of February. A link to sign up will be sent out next week.
- We are also completing an updated assessment for our **Pre-K age** students. The second round of Pre-K conferences are by request from parents. Please talk to your teacher to request a time if your student is pre-k age.
- * Preschool age students are students who have at least one more year of preschool. Pre-K age students are children who are 5 by September 1st and are planning to go to kindergarten in the fall.

•Tax Receipts:

- Don’t forget, you can write off your tuition on your 2025 taxes! Log into your tadpoles account on your computer. Click the payments/invoice tab to print out receipts for your accountant. Email the school if you need additional documentation. I will be happy to provide you a tuition receipt for the year.
