

# Creative Beginnings Parents,

We are very excited about all of the wonderful events we have planned for the month of May. We will be starting our end-of-the-year spring unit with fun topics that include each of the following: Flowers, spring weather, rainbows that follow the rain and a few days of "Teacher Favorite" themes!

## Classroom Reminders:

- **Teacher appreciation** is the week of **May 4<sup>th</sup> - 8<sup>th</sup>**. Let's show our amazing teachers how thankful we are for all their hard work this year! We are going to put a book together of pictures made by the students. You can use the template provided or make your own page. We will also be collecting funds to purchase a gift card from the students to their teachers for their favorite store. If you would like to donate, please place an envelope in the mailbox with your teacher's names.
  - We also had multiple requests to send out the teacher's "Favorites" from the beginning of the year so I am adding a separate document with the list.
- **Seed Unit:** We will be planting seeds in class on May 7<sup>th</sup> and 8<sup>th</sup>. Please bring in a packet of your favorite seeds to share with your friends.
