OR

For your convenience, in place of purchasing the supplies, please feel free to purchase a \$30 gift card to one of the following locations: Walmart, Target, Aldi or Amazon. We will use the gift card later in the year to resupply as we start to run low.

Personal items

A personal backpack will also be required for each student to bring to class each day. Backpack must be big enough to fit a full-size piece of construction paper without folding. We also request that the backpack has a front pocket as each student will also need a change of clothing to be kept inside the front pocket of the backpack in case of an emergency/accident.

Thank you for your help!
