Dear Friends & Allies,

Safe Space Property Management, Inc is a 501(c)3 tax exempt, nonprofit organization that provides supportive services to domestic violence survivors while raising awareness and educating the community on intimate partner violence.

Knowing that help is available could be the deciding factor on whether a woman chooses to leave an abusive environment. Community support and partnerships are crucial to our ability to support to survivors and their children as they fight to rebuild their confidence and regain their independence.

We would love for you to show your support as an ally with a donation to our organization.
