

## 2026 Summer Camp Information

Summer Camp is here! A few of you have asked about the calendar and it's finally done. I asked the kids what they wanted and tried to coordinate as much as I could. I think they'll be pretty happy with the outcome. I can't wait to see what they think.

Something new is happening this year. I am without my main assistant so I will be running the full duties of summer camp on my own. I will have my high school subs and possibly Vanessa dropping in to help on field trips and such. Because of this, the daycare hours will change. This summer, Summer Camp will run 8:30am-4:30pm Monday- Thursday. The daycare will be closed on Fridays. Irma will still be here to care for the toddlers. I will have a list of teenagers for you to call if you need a sitter from time to time. One of the parents mentioned AdventurePlex for Friday care. I'm sorry if this puts you in a bind but Fridays are usually the least used day of the week and I know I will get burnt out doing summer camp 5 full days a week. I know this might be a deal breaker for some of you but I hope you understand.

At this time, I am collecting a roster of who is planning to come and your schedule. If you are coming the full 4 days and plan to take vacations of a week or more, please let me know as soon as possible so I can make a note of it. I have drop in children that would love the temporary spot if it's available. If you are on a part time schedule and you wish to add/change a day to your schedule, and I will let you know if it's doable. If we're going somewhere and your child is not attending daycare but wants to go on the trip, you are welcome to join us or drop off/pick up at the destination. If any of you want to come along for our trips, please do! The more the merrier!

On field trip days, I ask that the kids come prepared to be out all day. They will need a lightweight backpack with water and a lunch. Please make sure they can carry what they bring. On excursions, we do a lot of walking so please be sure your child wears tennis shoes. On pool/beach days please have your child bring sandals or water shoes. There's nothing like trying to shove a wet, sandy foot into a tennis shoe. It happens every time so please help your child remember. On home days, they can wear whatever shoe they want. Last note for field trip days is to please check the weather. CA is tricky

in the summer. The mornings are sometimes cold and the afternoons get heated. If you bring your child in pants, please make sure you pack a pair of shorts in their bag in case it gets warm in the afternoon.

For the 6 and older group, electronics may be brought from home, however there will be limited time to use them. We have a "cool down" time in the afternoons. If your child has earned electronics time, they will be able to use them at that time. If they don't bring their electronics, they will have other inside activities offered to them.

Please note that the summer camp tuition does not include field trip fees. I've highlighted all the excursions that have a fee. If there is an activity that costs money, you may send cash or a Venmo/Zelle transfer. Some people pay for the whole summer activities at once, some at the beginning of the week and some pay the day the activity is scheduled. I don't have a preference to how its paid, as long as it's there the day of the activity.

Please note the yellow highlighted days on the calendar. I will be on vacation during that time. I will be working with my subs to fill in those weeks the best we can. I have a couple of field trips planned during that time but might have to separate the kids into smaller groups due to car space. That will be determined as it gets closer.

Below is the schedule, tuition, and list of start up fees to get the summer rolling.

### Summer Camp Fees:

Art fee \$15 \*\* Mandatory for campers attending 3 or more weeks

T-Shirt and Sling Backpack \$17 \*\*Mandatory if your child doesn't have one already.
