

## 2025 Summer Camp Information

Thank you for enrolling your child in our summer camp program. This year, our camp will run June 16- August 22. I have worked very hard at organizing field trips and fun activities for the kids to do. I'm looking forward to a very fun summer!

Please take a look at the calendar and choose the weeks that you would like your child to attend. Space varies from week to week. Full time care is given priority to the children that are continuing from our school year program. Full time families, please let me

know if your child will be missing any time for family vacations or other events you have scheduled. I have drop in children that would love the temporary spot if it's available.

If you are on a part time schedule and you wish to add/change a day, please understand that this might not always be possible. If we're going somewhere and your child is not attending daycare but wants to go on the trip, you are welcome to join us at the destination. If any of you want to come along for our trips, please do!

On field trip days, I ask that the kids come prepared to be out all day. They will need a lightweight backpack with water and a lunch. Please make sure they can carry what they bring. On excursions, we do a lot of walking so please be sure your child wears tennis shoes. On pool/beach days please have your child bring sandals or water shoes. There's nothing like trying to shove a wet, sandy foot into a tennis shoe. It happens every time so please help your child remember. It's best to have your child keep a pair of sandals/fip fops in their backpacks each day. On home days, they can wear whatever shoe they want.

Last note for field trip days -please check the weather! CA is tricky in the summer. The mornings are sometimes cold and the afternoons get heated. If you bring your child in pants, please make sure you pack a pair of shorts in their bag in case it gets warm in the afternoon.

For the 6 and older group, electronics may be brought from home, however there will be limited time to use them. We have a "cool down" time in the afternoons. If your child has electronics, they will be able to use them at that time. If they don't bring their electronics, they will have other inside activities offered to them during that time. If you would like to have your child bring workbooks or any educational worksheets to complete, they may do them at that time as well.

Please note that the summer camp tuition does not include field trip fees. I've highlighted all the excursions that have a fee. If there is an activity that costs money, you may send cash or a Venmo/Zelle transfer. Some people pay for the whole summer at once, some at the beginning of the week and some pay the day the activity is scheduled. I don't have a preference to how it's paid, as long as it's there the day of the activity.

Breakfast, lunch and snacks will be available to the children daily. There will be a menu to follow. If your child does not like what's being served, you may pack a lunch or snacks for them. On days that we will be out all day, a lunch must be brought from home. Please look out for those days on the calendar.

This year, I will be collecting a \$20 fee to cover the kids summer camp t-shirts, backpacks, and a small summer supply fee. The shirts will stay here so they will be available for our field trips. They can be sent home at the end of the summer. Everyone will need new shirts this year. I am attaching the new design for you to see. Our backpacks will come in handy for our field trips. They are lightweight and the perfect size. They will fit your child's water bottle and supplies for the day. Each child will have their name imprinted on their bag so they don't get mixed up. Our Summer Camp schedule is attached. Please let me know your schedules as soon as possible. Summer Camp Schedule starts 6/17  
Here's to a great summer! -Tracy

#### Summer Camp Tuition Fees

Summer camp is open: Monday- Friday 8:00am-4:30pm

Full Time- \$200 per week Daily- \$55 per day
