

My hearty welcome to one and all. I have great privilege in greeting our dignitaries on the dais, parents, my beloved students, staff and media. I would like to thank all for responding to our invitation and gracing this occasion.

I have a great pleasure in presenting to you the Annual Report 2023-24. This year has been very eventful for us. Today is the Day to celebrate our young, creative and talented students. This year, our children have outshone and brought laurels to this institution.

On this occasion, let me give you a **brief history of Brundavan English Medium School:**

Brundavan English Medium School is a unique non-profitable Institution devoted to promote the Quality Education, Personality Development by igniting the minds of our children.

The institute was established in the year 2013. In 2013, a school was established in Gandhi Road with the name Brundavan with state board curriculum. With the hard work and selfless dedication of our team, the school got a tremendous response in the initial years itself. The school won the trust of the parents and started growing.

With all the love and trust of the parents, we were able to establish a CBSE school in Santhapet, Chittoor. Brundavan added a feather to its cap by upgrading to senior secondary i.e., 11th and 12th classes from the academic year 2022-23 onwards.

On this special occasion, I would like to reiterate our vision and mission:

Vision

To empower young minds with knowledge, values and skills to become responsible and proud citizens.

Mission

To establish Brundavan as a premier institution by providing high-quality education, fostering values, and creating a happy, safe and supportive learning environment to develop responsible and proud citizens who serve society.

Academic Excellence:

The school has maintained its tradition of achieving a 100% pass rate in the CBSE examinations, 2023 with 95.2% as the top percentage. Our faculty members have worked tirelessly to ensure that our students receive the best education possible, and their efforts have been reflected in the outstanding results. Additionally, K Chethan D Tejaswini of Grade 12 have qualified in the JEE Mains 2023, showcasing our commitment to academic excellence.

Infrastructure:

We have established fully-equipped labs for Physics, Biology, and Chemistry. We have also introduced a lift facility ensuring the safety and comfort of our students.

Co-Curricular activities:

We believe in the holistic development of our students, and our co-curricular and extra-curricular activities have played a crucial role in achieving this goal. Our students have excelled in various sports, cultural events, and competitions. They have participated in the Indian Talent Olympiad and the Global Science Olympiad, and we are eagerly awaiting the results. Additionally, we have re-launched and successfully running JEE/NEET foundation courses for classes 6-10, providing our students with the necessary resources to excel

in competitive exams. Our students participated in WOW- 'Well-being Out of Waste' program organized by ITC in our school. This initiative aims to educate and empower young minds to embrace the principles of reduce, reuse, and recycle.

In the ROBOTICA-2024 competition held at VIT, Vellore, 56 of our students participated in the written exam. Out of these, 14 students were awarded winner prizes, and 18 students were awarded runner-up prizes. Furthermore, 4 out of 5 students who participated in the working model competition bagged winner prizes. These students are N V Ujwaleshwar of Grade 5, Darshan Reddy of Grade 6, Surya Narayana, and G Vineel of Grade 8. In 6th A.P modern Pentathlon Laser Run championship, 2023: K Rishitha secured gold medal, Sai Sravan and P. B Vamsi Krishna secured silver medals. 14 schools have participated in District Level Philately Quiz competition conducted by Indian Post department where our school students: J V Tharunasree of grade 9, G Vineel of grade 8, G Vignesh of grade 7, Kavieshwar Dinakaran of grade 7 and J Haricharan of grade 6 bagged winner prize. Our students participated and bagged silver medal in U-17 boys 3rd A.P state mini football championship 2023. U-19 and U-17 boys from our school have bagged silver medal in A.P STAIRS inter district championship 2023-24. Grade 11 students: N Charan, A Dhoni, K Jai Ganesh, T Mohith, C Reddy Krishna Prasad, P Keerthi Sree and T Hasini have participated in 67th netball and basketball district meet and have been selected for state level. U 19 boys and girls have participated in shooting ball inter district championship 2023-24. U 14 girls participated in 1st A.P STAIRS foundation kabbadi championship.

Y Hetheswar of grade 5 has won gold medal in National speed skating federation of India. P Jayaprasuna of grade 9 has bagged 2nd prize in inter district rollball championship. A Yaswin Sri Sai from grade 8 has been selected for national level basket ball tournament. T Pranav Sai of grade 11 has won bronze prize in A.P. badminton tournament. A M Dharshith and N Jashwin have won winner prize in Kata Kumite Team organised by International Goju Ryu Association of India. N Jashwin of PP-2 won in Grand Iconic India's Kids Baby Contest 2024. A R Sarika of grade 5 has won gold medal in Kata event Junior level. K Neeta has participated in classical dance at Thyaga Raja Gaana Sabha. Our children participated in UCMAS Abacus district and state level competition and won prizes: R Divith Reddy- 4th runner up in district level, N V Ujwaleshwar- 5th runner up in district level, K Kanishka- 5th runner up in district level, K Vaishnavi- 3rd runner up in district level and 5th runner up in state level. S Vedhasree of grade 5 bagged winner prize in Alama's state level basic mental arithmetic competition.

Senior secondary students were taken to SHAR to view the rocket launching as a part of educational tour.

We have hosted a CBSE Capacity Building Program on Gender Sensitivity.

Technology Integration:

We have introduced Genie, the world's first augmented reality-enabled intelligent teaching console, this year. This innovative technology has been implemented in the pre-primary classes, and we plan to extend this facility to other grades in the academic year 2024-25.

Functions & Celebrations: We are glad to announce that the following functions and celebrations are celebrated this year to educate the children about different cultures and heritage of India.

We celebrated Yoga Day on 21st June, Independence Day on 15th August, Krishnashtami, Vinayaka Chavithi where eco-friendly Ganesha model making was conducted by Sakshi news agency. Then, Telugu Basha Dinotsavam was celebrated on 29th August, Teachers' Day on 5th September, Children's Day on 14th November, National Mathematics Day on 22nd December. The highlight of mathematics day was ashtavadanam by two of our students, J Hari Charan of grade 6 and P Yashasree of grade 8. This event was successful with the guidance and support of Mr. Arun Siva Prasad, JVV, Christmas Day celebrations on 24th December and Republic Day celebrations on 26th January, 2023. We would be celebrating science day and Chrysalis day on 28th February, 2024.

In conclusion, I would like to thank our Chief Guest, Sri N Dwarakanatha Reddy, for gracing us with his presence. I would also like to express my gratitude to the parents, teachers, and students for their unwavering support and dedication. Together, we can achieve even greater heights and create a brighter future for all in the years to come.

Annual Report of Brundavan English Medium School

Chief Guest: Sri N Dwarakanatha Reddy

Dear Esteemed Guests, Parents, Teachers, and Students,

It is with great pleasure that we present the Annual Report of Brundavan English Medium School for the academic year 2023-24. This year has been a year of great achievements and developments for our school.

Academic Excellence:

We are proud to announce that our students have achieved a 100 percent pass rate in the CBSE board exams. Additionally, Tejaswini of Grade 12 has qualified in the JEE Mains 2023 Session 1, showcasing our commitment to academic excellence.

Infrastructure Developments:

We have made significant improvements to our infrastructure this year. We have established fully-equipped labs for Physics, Biology, and Chemistry. We have also introduced a lift facility and a full-fledged kids' zone, ensuring the safety and comfort of our students.

Co-curricular & Extra-curricular Activities:

Our students have actively participated in various competitions this year. We have participated in the Indian Talent Olympiad and the Global Science Olympiad, and we are eagerly awaiting the results. Additionally, we

have re-launched our IIT-JEE/NEET foundation courses for classes 6-10, providing our students with the necessary resources to excel in competitive exams.

In the ROBOTICA-2024 competition held at VIT, Vellore, 56 of our students participated in the written exam. Out of these, 14 students were awarded winner prizes, and 18 students were awarded runner-up prizes. Furthermore, 4 out of 5 students who participated in the working model competition won prizes. These students are N V Ujwaleshwar of Grade 5, Darshan Reddy of Grade 6, Surya Narayana, and G Vineel of Grade 8.

Technology Integration:

We have introduced Genie, the world's first augmented reality-enabled intelligent teaching console, this year. This innovative technology has been implemented in the pre-primary classes, and we plan to extend this facility to other grades in the academic year 2024-25.

In conclusion, I would like to thank our Chief Guest, Sri N Dwarakanatha Reddy, for gracing us with his presence. I would also like to express my gratitude to the parents, teachers, and students for their unwavering support and dedication. Together, we have achieved great success, and I am confident that we will continue to excel in the years to come.

Thank you.
