This Course Enrollment and Purchase Agreement (this “Agreement”) is entered into as of the date of electronic acceptance (the “Effective Date”), by and between Eli Gal Levy, doing business as GalTrades.com (“Provider,” “we,” or “us”), operator of the website galtrades.com (the “Site”), and the individual identified in the Electronic Acceptance Record and checkout record (“Student,” “you”). Provider and Student are each a “Party” and together the “Parties.”

1. The Course

1.1 Course. Provider offers an online educational course titled “Futures Trading Course 101” (the “Course”), consisting of instructional content which may include pre-recorded video lessons, live sessions, written materials, worksheets, examples, and related resources (collectively, the “Course Materials”), delivered through the Site or a third-party hosting platform.

1.2 Access Period. Upon receipt of full payment, Provider will grant Student access to the recorded Course, available 24 hours a day, for 6 months from purchase (the “Access Period”), subject to this Agreement. Provider may update, revise, or replace Course Materials at any time, provided the overall educational substance of the Course is not materially reduced.

1.3 Technical Requirements. Student is responsible for the internet connection, hardware, and software needed to access the Course. Provider does not guarantee uninterrupted or error-free availability of the Site or hosting platform.

2. Fees and Payment

2.1 Course Fee. The fee for the Course is \$1,500 (the “Course Fee”), payable in full at checkout. All amounts are in U.S. dollars unless stated otherwise, and are exclusive of any applicable taxes, which are Student’s responsibility where required by law.

2.2 Chargebacks. Initiating a chargeback or payment dispute in lieu of following the refund procedure in Section 3 is a material breach of this Agreement, and Provider may suspend or terminate Course access while the dispute is pending.

3. Refund Policy

3.1 Refunds. Student may request a full refund within 7 days of purchase, provided the request is received before the first live session Student is scheduled to attend. Refund requests must be sent to info@galtrades.com. No refunds are available after the first live session has taken place or after the 7-day period has ended, whichever comes first.

3.2 Statutory Rights. Nothing in this Agreement limits any non-waivable refund, cancellation, or cooling-off rights Student may have under the laws of Student’s state of residence.

4. Educational Purpose Only — Not Investment Advice

4.1 Education Only. The Course and all Course Materials are provided strictly for educational and informational purposes. Nothing in the Course constitutes, and shall not be construed as, financial, investment, trading, tax, accounting, or legal advice, or a recommendation, solicitation, or offer to buy or sell any futures contract, commodity interest, security, or other financial instrument.

4.2 No Advisory Relationship. Provider is an educator, not Student’s financial advisor, broker, commodity trading advisor, or fiduciary. No advisory, fiduciary, broker-client, or similar relationship is created by this Agreement, by enrollment in the Course, or by any communication between the Parties, including questions answered during live sessions or in community forums.

4.3 Registration Status. Eli Gal Levy (NFA ID 0575723) is registered as an Associated Person of Cannon Trading Company, Inc. The Course is a standalone educational product offered separately from, and does not form part of, any brokerage services. Purchasing the Course does not open a brokerage account and does not create any customer, advisory, or fiduciary relationship between Student and Provider or any firm with which Provider is affiliated. Provider is not registered as a commodity trading advisor or investment adviser, and nothing in the Course constitutes the provision of investment advisory services.

4.4 Conflict of Interest Disclosure. Student acknowledges that Provider may earn commissions or other compensation in connection with brokerage services offered separately from the Course. Student is under no obligation to open an account with, or place trades through, Provider or any affiliated firm, and the Course content is not conditioned on Student doing so.

4.5 Independent Judgment. Any trading or investment decision Student makes is made solely by Student, at Student’s own risk, based on Student’s own judgment, and, where appropriate, in consultation with Student’s own licensed professionals.

5. Risk Disclosure

5.1 Risk Disclosure. The Course and all Course Materials are provided by GalTrades.com for informational and educational purposes only. Content may include market commentary, technical observations, opinions, and material derived from publicly available sources. While such information is believed to be reliable, galtrades.com does not author, independently verify, endorse, or guarantee the accuracy, completeness, or timeliness of any third-party information referenced or summarized herein.

The information, opinions, market data, and commentary contained in this publication are subject to change at any time without notice and do not constitute investment advice, a solicitation, or a recommendation to buy or sell any security, futures contract, option on futures, foreign currency transaction, or any other financial instrument. Trading Futures, Options on Futures, retail off-exchange foreign currency transactions, and other derivatives involves substantial risk of loss and is not suitable for all investors. You may lose all or more than your initial investment. HYPOTHETICAL PERFORMANCE DISCLAIMER

HYPOTHETICAL PERFORMANCE RESULTS HAVE MANY INHERENT LIMITATIONS, SOME OF WHICH ARE DESCRIBED BELOW. NO REPRESENTATION IS BEING MADE THAT ANY ACCOUNT WILL OR IS LIKELY TO ACHIEVE PROFITS OR LOSSES SIMILAR TO THOSE SHOWN. IN FACT, THERE ARE FREQUENTLY SHARP DIFFERENCES BETWEEN HYPOTHETICAL PERFORMANCE RESULTS AND THE ACTUAL RESULTS SUBSEQUENTLY ACHIEVED BY ANY PARTICULAR TRADING PROGRAM.

ONE OF THE LIMITATIONS OF HYPOTHETICAL PERFORMANCE RESULTS IS THAT THEY ARE GENERALLY PREPARED WITH THE BENEFIT OF HINDSIGHT. IN ADDITION, HYPOTHETICAL TRADING DOES NOT INVOLVE FINANCIAL RISK, AND NO HYPOTHETICAL TRADING RECORD CAN COMPLETELY ACCOUNT FOR THE IMPACT OF FINANCIAL RISK IN ACTUAL TRADING. FOR EXAMPLE, THE ABILITY TO WITHSTAND LOSSES OR TO ADHERE TO A PARTICULAR TRADING PROGRAM IN SPITE OF TRADING LOSSES ARE MATERIAL POINTS WHICH CAN ALSO ADVERSELY AFFECT ACTUAL TRADING RESULTS. THERE ARE NUMEROUS OTHER FACTORS RELATED TO THE MARKETS IN GENERAL OR TO THE IMPLEMENTATION OF ANY SPECIFIC TRADING PROGRAM WHICH CANNOT BE FULLY ACCOUNTED FOR IN THE PREPARATION OF HYPOTHETICAL PERFORMANCE RESULTS AND ALL OF WHICH CAN ADVERSELY AFFECT ACTUAL TRADING RESULTS.

5.2 Acknowledgment. Student acknowledges having read and understood the risk disclosures in this Section 5 before purchasing the Course.

6. No Guarantee of Results

6.1 No Earnings Claims. Provider makes no representation, warranty, or guarantee that Student will achieve any particular result, income, profit, or level of trading performance from taking the Course. Individual results depend on factors outside Provider's control, including Student's effort, experience, discipline, capital, risk management, and market conditions.

6.2 Testimonials. Any testimonials or examples of other students' results that may appear on the Site or in Course Materials reflect individual experiences only, may not be representative of other students, and are not typical or a guarantee of results.

7. License and Intellectual Property

7.1 License. Subject to payment in full and compliance with this Agreement, Provider grants Student a limited, personal, non-exclusive, non-transferable, non-sublicensable, revocable license to access and use the Course Materials during the Access Period solely for Student's own personal, non-commercial education.

7.2 Restrictions. Student shall not: (a) share, resell, sublicense, or transfer Course access or login credentials to any other person; (b) copy, record, download (except where a download function is expressly provided), screenshot, reproduce, distribute, publicly display, or create derivative works from any Course Materials; (c) post Course Materials to any other website, forum, file-sharing service, or social media; (d) use the Course Materials to create, market, or teach a competing course or service; or (e) remove any copyright or proprietary notices.

7.3 Ownership. Provider and its licensors retain all right, title, and interest in and to the Course, Course Materials, and the Site, including all copyrights, trademarks, and other intellectual property rights. No rights are granted except as expressly stated in Section 7.1.

7.4 Remedies. Student acknowledges that breach of this Section 7 would cause Provider irreparable harm for which money damages would be inadequate, and Provider shall be entitled to seek injunctive relief in addition to any other remedies.

8. Student Conduct

8.1 Account. Student must provide accurate registration information and keep login credentials confidential. Student is responsible for all activity under Student's account.

8.2 Community Standards. If the Course includes live sessions, chat, or community forums, Student shall not engage in harassment, hate speech, spam, solicitation of other students, sharing of trade signals presented as advice, or any unlawful conduct. Provider may moderate, suspend, or remove Student from community features for violations.

8.3 Eligibility. Student represents that Student is at least 18 years of age and has the legal capacity to enter into this Agreement.

8.4 Simulated Trading. Student agrees that, for the duration of the Course, Student will practice solely in a simulated (demo) trading account of Student's choice and will not apply Course concepts in a live trading account. Any live trading Student nonetheless chooses to undertake during the Course is at Student's sole risk and constitutes a material breach of this Agreement.

9. Term and Termination

9.1 Term. This Agreement begins on the Effective Date and continues for the Access Period, unless terminated earlier under this Section.

9.2 Termination by Provider. Provider may suspend or terminate Student's Course access immediately upon written notice if Student materially breaches this Agreement, including the payment terms in Section 2 or the license restrictions in Section 7. No refund is due upon termination for breach, except as required by law.

9.3 Survival. Sections 4 through 7 and 10 through 18 survive any termination or expiration of this Agreement.

10. Disclaimer of Warranties

10.1 EXCEPT AS EXPRESSLY STATED IN THIS AGREEMENT, THE COURSE, COURSE MATERIALS, AND SITE ARE PROVIDED "AS IS" AND "AS AVAILABLE," WITHOUT WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, OR NON-INFRINGEMENT. PROVIDER DOES NOT WARRANT THAT THE COURSE MATERIALS ARE COMPLETE, CURRENT, OR ERROR-FREE, OR THAT ACCESS WILL BE UNINTERRUPTED. SOME STATES DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SO SOME OF THE ABOVE EXCLUSIONS MAY NOT APPLY TO STUDENT.

11. Limitation of Liability

11.1 EXCLUSION OF DAMAGES. TO THE MAXIMUM EXTENT PERMITTED BY LAW, PROVIDER SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES, OR FOR ANY TRADING LOSSES, LOST PROFITS, LOST CAPITAL, MARGIN CALLS, OR LOST OPPORTUNITIES, ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE COURSE, OR ANY TRADING OR INVESTMENT DECISION MADE BY STUDENT, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

11.2 CAP. TO THE MAXIMUM EXTENT PERMITTED BY LAW, PROVIDER'S TOTAL AGGREGATE LIABILITY ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL NOT EXCEED THE COURSE FEE ACTUALLY PAID BY STUDENT.

11.3 Exceptions. Nothing in this Section limits liability that cannot be limited under applicable law, including liability for fraud, willful misconduct, or gross negligence where such limitation is prohibited.

12. Assumption of Risk; Release

12.1 Student knowingly and voluntarily assumes all risks associated with applying any concepts, strategies, or techniques discussed in the Course to actual or simulated trading. To the maximum extent permitted by law, Student releases Provider, its owners, officers, employees, instructors, and contractors from any claim arising out of Student's trading or investment activity.

13. Indemnification

13.1 Student shall indemnify, defend, and hold harmless Provider and its owners, officers, employees, instructors, and contractors from and against any third-party claims, damages, and reasonable attorneys' fees arising out of (a) Student's breach of this Agreement, including the license restrictions in Section 7, or (b) Student's violation of applicable law.

14. Dispute Resolution

14.1 Informal Resolution. Before filing any claim, the complaining Party shall give the other Party written notice of the dispute and a 30-day opportunity to resolve it informally.

14.2 Arbitration. Any dispute arising out of or relating to this Agreement that is not resolved informally shall be resolved by binding arbitration administered by JAMS under its Streamlined Arbitration Rules and Consumer Arbitration Minimum Standards, before a single arbitrator, in California or by remote/video proceeding. Judgment on the award may be entered in any court of competent jurisdiction. Either Party may instead bring an individual claim in small-claims court.

14.3 Class Action Waiver. TO THE MAXIMUM EXTENT PERMITTED BY LAW, EACH PARTY WAIVES THE RIGHT TO PARTICIPATE IN ANY CLASS, COLLECTIVE, OR REPRESENTATIVE ACTION, AND DISPUTES SHALL BE RESOLVED ONLY ON AN INDIVIDUAL BASIS.

15. Governing Law

15.1 This Agreement is governed by the laws of the State of California, without regard to its conflict-of-laws rules, and applicable U.S. federal law, except that mandatory consumer-protection laws of Student's state of residence apply to the extent they cannot be waived by contract.

16. General Provisions

16.1 Entire Agreement. This Agreement, together with the Site's Privacy Policy, constitutes the entire agreement between the Parties regarding the Course and supersedes all prior or contemporaneous understandings.

16.2 Amendments. Provider may amend this Agreement prospectively for future purchases; amendments do not apply retroactively to a Course already purchased except with Student's consent or as required by law.

16.3 Assignment. Student may not assign this Agreement. Provider may assign it in connection with a merger, acquisition, or sale of substantially all assets.

16.4 Severability. If any provision is held unenforceable, it shall be modified to the minimum extent necessary, and the remainder of this Agreement remains in effect.

16.5 Waiver. Failure to enforce any provision is not a waiver of the right to enforce it later.

16.6 Force Majeure. Provider is not liable for delays or failures caused by events beyond its reasonable control, including platform outages, acts of God, or governmental action.

16.7 Notices. Notices to Provider shall be sent to info@galtrades.com. Notices to Student shall be sent to the email address provided at checkout.

16.8 Electronic Acceptance. Student's electronic acceptance (including clicking "I agree" or completing checkout after being presented with this Agreement) constitutes a valid signature with the same force as a handwritten signature under the U.S. E-SIGN Act and applicable state law (including UETA).

17. Acknowledgments

By electronically accepting this Agreement, Student confirms that Student:

- (a) has read and understands this Agreement, including the risk disclosures in Section 5;
- (b) understands the Course is educational only and is not investment advice;
- (c) understands that trading futures involves substantial risk of loss;
- (d) is purchasing the Course voluntarily for personal education.

18. Electronic Acceptance Record

This Agreement is accepted electronically by checking “I agree” on the Enroll Now page at galtrades.com and completing checkout. No handwritten signature is required. GalTrades.com retains a record of the Student's name, email address, date and time of acceptance, and IP address, which together constitute the Student's electronic signature under Section 16.8 of this Agreement.
