

🔥 LET ME ASK YOU SOMETHING 🔥

Why would you **ask permission** from the very ones who **stole your rights*, *your children*, or *your liberty**?

That’s like a thief robbing your home — and instead of prosecuting them — **you plead with them** to return your property.

⚠️ See how ridiculous that is?

We do ****NOT**** beg tyrants for justice. We ****invoke**** our RIGHTS.

🚫 NO MORE MOTIONS that beg for fairness.

🚫 NO MORE REQUESTS to do what they were **sworn** to do.

🛡️ PUT THEM ON NOTICE.

📜 DEMAND CONSTITUTIONAL COMPLIANCE.

⚖️ FILE WRITS. FILE COMPLAINTS. FILE FEDERAL §1983 SUITS.

If they refuse to remedy, **you escalate**.

💣 VOID their unlawful orders — AB INITIO.

💣 REBUT their "compelling state interest" — ON RECORD.

💣 CHALLENGE jurisdiction — DEMAND PROOF.

And if they persist?

🚒 PROSECUTE:

* File judicial complaints (SCJC, DOJ)

* Sue under 42 U.S.C. § 1983

* Demand the removal of corrupt judges

* Demand habeas corpus to restore liberty

💥 This is not about "family law."
This is about *fraud under color of law*.

We are **done asking**.
We **act**, in full capacity, **sui juris**, and under divine and constitutional authority.
