January 2026

Dear Sponsor:

The Gresham Park Baseball and Softball Association (GPBSA) is well on the way toward an exciting baseball/softball season. Each year, GPBSA renews its commitment to maintaining a high quality athletic program. We take pride in knowing that we operate a program that not only teaches our boys and girls baseball and softball skills, but also shapes their minds and molds their character. As we continue to expand our civic responsibility, your support is needed.

Since 1975, we have continuously been able to register 500 or more young boys and girls each season. With this volume of athletes in our program, we need outside support to remain true to our mission. In the past, services and money donated from sponsors like you have provided us with the necessary funding to ensure our program continues on the right track. During year 2021, the Atlanta Braves and Dekalb County worked with us to revamp and update our baseball and softball fields. In 2025, we upgraded our batting cages and other field equipment. During 2026, we will continue to focus on improving our buildings and purchasing equipment to help reduce cost to families and players.

We are again asking for the support of individuals, businesses, organizations and corporations in the form of team sponsorships. Attached is detailed information concerning our sponsorship program. Please take a moment to review this information and then let us know how you would like to help. Your tax-deductible contribution is desperately needed and would be greatly appreciated.

We have been working diligently to ensure that our new and returning players receive a competitive, but fun-filled season. Our season opens on Saturday, March 28, 2026. We hope that you can find some time during the season to come out and join us. For additional information, please contact Cynthia Freeman, Sponsorship Coordinator at [f_cynthi@bellsouth.net](mailto:cynthi@bellsouth.net) or 404-791-4072.

Thank you in advance for your support.

Sincerely,

Douglas Henry
Chairman of the Board
