## Con Ed Cruise 2020

### Monday September 29, 2020 - Saturday October 3, 2020

**FRTG Con Ed Cruise 2020** sets sail from Charleston SC at 4 PM Monday September 28, 2020 for a 5-day cruise aboard brand-new Carnival Sunshine. Tuesday will be our first "Fun Day at Sea". This will be our first educational day also. But don't worry not the whole day. There are so many things to do and see aboard this ship, I promise you will not get bored.

Once we are out to sea the casino opens! So, enjoy the evening! Wednesday we will arrive at Nassau Bahamas at approximately 8 AM and will be docked there until 5 PM. This port holds lots of shopping, fun in the sea and places to explore. There are zip lines, beaches, and historical tours. And of course, ATLANTIS! Once you are back onboard, have a fantastic meal in the main dining room, or grab a pizza and a beer and just watch the sunset. Thursday we will sail into Princess Cays at 8 AM for the full day! This island is fantastic from its beautiful beaches to the excursion for the adventurous. Plenty to do and see. We will be leaving port at 5 PM so make sure you do everything you want and be back on board.

The night awaits in the casino or the hot tub. Enjoy dinner in the restaurant, steakhouse or Pizza Pirate. Time to relax and unwind! Friday will be another "Fun Day at Sea". We will have fun events going on all day for you to enjoy along with the last of our classes. This night is our last night at sea, grab a drink and watch the ocean float by into the beautiful sunset. Don't forget to check out the sales going on in the Fun Shops, there will be some great deals. Sadly, we arrive back at Charleston SC at 8 AM Saturday morning.

#### Ports of Call

**Nassau Bahamas** Nassau is the capital of the Bahamas. It lies on the island of New Providence, with neighboring Paradise Island accessible via Nassau Harbor bridges. A popular cruise-ship stop, the city has a hilly landscape and is known for beaches as well as its offshore coral reefs, popular for diving and snorkeling. It retains many of its typical pastel-colored British colonial buildings, like the pink-hued Government House.

**Princess Cays** Princess Cays is a tourist resort at the southern end of the island of Eleuthera, Bahamas. It is owned by Princess Cruises, who use it as a port-of-call on cruises in the Caribbean. Contrary to the implication of its name, it is located on Eleuthera, rather than on separate islands

#### On Board Education

Courses and seminars are in the works but not too many. We will post them as they become scheduled. We want you to have fun on this cruise, it is vacation after all!
